

## Adult Retrospective Questionnaire

These are questions about some things that might have happened during your childhood. Your “childhood” begins when you are born and continues through age 17. It might help to take a minute and think about the different schools you attended, different places you might have lived, or different people who took care of you during your childhood. Try your best to think about your entire childhood as you answer these questions.

- 1) When you were a child, did anyone use force to take something away from you that you were carrying or wearing?  
 1 time  
 2 times  
 3 times
