

CHEMISTRY & YOU

A workshop to explore professional development and scholarship

Want to learn more about career opportunities for chemists?

We invite you to participate in this exploration on Saturday, October 24, 2009

8:30am to Noon in Iddles Auditorium Room L101 Parsons Hall

Registration is from 8am to 8:30am in the Iddles Foyer, Parsons Hall.

The goal of this workshop is for you to meet and establish contacts with people who are working in a chemically related-field in New Hampshire. There are many diverse options today for students pursuing a degree in Chemistry. We have invited experts with a wide range of interests. Please join us to meet these experts!

Please contact Cindi Rohwer by Monday 10/19/09 at cindi.rohwer@unh.edu , 862-1795 or see her in Rm 124 Parsons to let her know you plan on attending.

(We need a count for the refreshments.)
