

Return Registration Form

If you will be abroad during registration for the next semester, please complete this return registration form. Consult with your academic advisor about what courses are required for a timely graduation and determine how you will register for courses while you are abroad. **THIS REGISTRATION FORM WILL NOT BE COMPLETE WITHOUT YOUR MAJOR ADVISOR'S NAME AND SIGNATURE.**

Below you will also find an optional plan of study chart in which you and your advisor can create a tentative schedule for the semester you will return to UNH. It is your responsibility to make arrangements to obtain permission slips for any courses requiring permission for enrollment. We recommend, if possible, you make these arrangements with the appropriate faculty or departments when you are completing this form. Keep in mind that requesting permission while abroad may take longer than you anticipate.

Students may only register for 18 semester hours of credit via Webcat. We strongly suggest that students request a degree audit from the Registrar's Office before they go abroad to get an accurate sense of their progress toward completion of their degree. Students should also review their progress toward completion of the major requirements with their major advisor.

Name: _____ Student ID #: _____

Permanent Address: _____

Phone: _____ E-mail: _____

Major(s): _____ Minor(s): _____

Major Advisor's Name & E-mail: _____

Major Advisor's Signature: _____ (___/___/___)
