From Boston
The Logan International Airport in Boston is approximately sixty miles from Durham. Leave the Airport on Route 1 going North and look for the Route 95 Exit. Once on I-95 going North, drive approximately 35 minutes across the NH border and through one toll ($1). As you approach Portsmouth, New Hampshire, take Exit 4 on your left ("White Mtns./Dover"). You will now be on the Spaulding Turnpike heading North. Drive approximately 5 miles to Exit 6 West (Route 4 West/Durham/UNH). It's the last exit before a toll and you will see the toll booth as you take the exit. Follow Route 4 West approximately 4 miles past the UNH/Durham Route 108 exit and through one traffic light. About 1/2 mile after the light, take the Route 155A Exit (UNH/Durham) and turn left (going east) towards Durham. (see red arrows on the map on next page) Park behind Kingsbury Hall as shown on the map.
