Engaged Scholars Academy

Agenda

Workshop 3 – Working with Federal Agencies

Objectives/Outcomes:
- Participants will have a greater understanding of how to develop and propose effective broader impacts when applying for external funding;
- Participants will gain an understanding of NSF and how the agency defines broader impacts;
- Participants will learn how alumni of the Engaged Scholars Academy have documented community partnerships in their external funding endeavors.

Presentation #1: Broader Perspective
Presentation by Dr. Cameron Wake, Research Associate Professor with the Institute for the Study of Earth, Oceans, and Space, and Senior Faculty Fellow in the Office of the Senior Vice Provost for Engagement and Academic Outreach

Presentation #2: A View from Inside the NSF
Presentation by Dr. Anita Klein, Associate Professor of Biochemistry and Molecular Biology, and former NSF Program Officer

Presentation #3: Broader Impacts
Presentation by Dr. Eleanor Abrams, Associate Professor of Education, and former Director of UNH Outreach Scholarship office
