## *Excellence in Outreach Scholarship*

### *Outreach Scholars Academy*

#### **Expectations/Commitment**

Our university has committed resources to the Outreach Scholars Academy and, in nominating you, your dean has confirmed his/her commitment to engaged scholarship.

Before finalizing your application please consider carefully the criteria below and the time commitment required for this academy.

**The successful nominee for this program should possess the following qualities:**

- Have an active research agenda that contributes to the discipline and that can have an impact on external stakeholders;
- Have a current outreach project that he/she would like to further develop to meet the criteria for engaged scholarship;
- Have experience with externalizing his/her research (i.e. engaged scholarship);
- Have the capacity to work collaboratively as a member of an interdisciplinary team;
- Demonstrate a desire for new learning about engaged scholarship;
- Demonstrate an interest in working with faculty across disciplines, with community stakeholders, and with students;
- Demonstrate the capacity to effectively communicate the results of his/her research to public, academic, and other external audiences;
- Commit to actively participate in all outreach scholars meetings;
- Commit to develop a final team or individual project with a special emphasis on outreach and/or engaged scholarship by the end of the year.

Successful nominees will be expected to attend all meetings and participate fully in activities of the program. Dates for the **20xx** Outreach Scholars Academy are listed.
