SUMMER 2008 UNDERGRADUATE ROOM AND BOARD APPLICATION

The University of New Hampshire welcomes students enrolled in UNH Summer Session courses in its regular Summer Session housing facilities in Durham. (Participants in summer conferences or special programs stay in the conference housing area.) Housing in a summer residence hall is not available between sessions except when one enrolled session immediately follows the other. Because of limited space, students will be unable to arrive earlier than established check-in dates and they will not be able to stay after the established check-out dates.

In order to secure a space in a summer residence hall, complete and return the application below no less than two weeks before your anticipated summer stay on-campus begins. Room assignments will be made beginning in mid-April. After your assignment is made you will receive a confirmation and invoice for summer room and board charges via email. Payment will be due in full to Business Services no less than two weeks before your move-in date. Please note that credit cards are not accepted as payment for room and board charges. UNH Residence halls are smoke-free environments.
