CO-ED APARTMENT/SUITE AGREEMENT

1. All members of this group must meet age or class standing eligibility requirements.
2. Each member of the group is expected to make a commitment to live in the co-ed apartment for the full academic year.
3. While apartments and suites may be co-ed, bedrooms within the apartment or suite may not.
4. Should a vacancy occur, the following actions may be taken:
 - a. The remaining residents may identify an eligible and appropriate replacement.
 - b. If the remaining residents are unable to do so, Housing may choose to convert the suite/apartment to a single-gender and relocate those residents who are affected by the change.
5. At all times, the suite/apartment must be filled with as close to a 50/50 gender ratio as the assigned suite/apartment will allow.
6. The Department of Housing may, at its discretion, prohibit or terminate any co-ed living arrangement that it deems unacceptable.
7. The terms of this agreement are in addition to the terms and conditions of the Room and Board Agreement.
