

GABLES GAZETTE

SEPTEMBER 2023

WELCOME to the Gables!

IT'S GOING TO BE A GREAT YEAR!

Hey all!

The staff and I are SO happy to have you all back on campus! Monthly I'll send out our Gables Gazette filled with important information to help you stay up to date on policies, pertinent complex information, and events happening!

What's an Apartment Manager?

The Apartment Manager is a part of the Apartment Staff at the Gables. Greg works with the CAs to create a safe, inclusive, and exciting environment for students to live in. He accomplishes that by putting on different programming opportunities, meeting with students, holding open office hours, working with you all to address any student or facility related concerns, put on some large scale programs like BBQs or bring an ice cream truck to Gables, and so much more!

Where is Greg's Office?

Greg's office is located in the back of the B Tower Mailroom! If you need to chat with him, or just want to come grab coffee and say hi, just let the mailroom assistant know! If I'm in the office, and not in a meeting, I would love to hangout and chat with you all!

What's a Community Assistant?

Community Assistants are a part of the Apartment Staff at the Gables. They put on programs, provide resources, work in the mail room, and are here to support you in whatever way they can!

Gables Key Opt-In Process

*Based on student feedback, we have made bedroom keys at the Gables optional this year. You will **NOT** be automatically issued a key when you check in this fall. Our hope is to simplify things for Gables residents and avoid charges for lost keys. Your ID access will be turned on and your bedroom door unlocked. If you think you will use a room key, follow the directions below to opt-in during move in!*

To Opt-In...

- Head over to the Gables Office, located on the first floor of B Tower.
- Please have your student ID ready. Our Mailroom Assistant will walk you through the process of opting-in.
- Once you have completed the opt-in process, you are responsible for your room key for the duration of your residency in the Gables. You must return the same room key upon moving out. Please note that lost keys will result in a \$65 charge to change the lock and keys.
- If at any point this year you decide you no longer wish to have a room key, bring your key to the Gables Office to opt-out.

PLEASE NOTE: If you decide to opt-in and get a room key, your roommate is NOT required to also opt-in. However, we strongly encourage you to have a conversation with your roommate about this decision.

Please Note

If a power outage or other emergency should occur on campus during the academic year, your apartment managers will communicate any important information with the community via email. Please be sure to check your email frequently!
