# September

**Hey there Woodchucks! My name is Shan Scott (they/them) and I am so excited to be your manager this year!** This is my third year at UNH and I am currently enjoying getting to meet you all!

A little bit about myself: I'm from all over the country, but have lived here in New Hampshire for nearly 10 years, and went to college at the art school formerly known as the New Hampshire Institute of Art. There I studied Illustration and Comic Arts. I still work in the Arts and Comics full-time, as well as being an Arts and Comics Educator. I have worked on over 10 published books, as well as am a NYTimes Best Selling Colorist.

Here at Woodside, I have many responsibilities including facilities management of the buildings, supervision of our four awesome Community Assistants (CAs), hosting educational and community based programs, providing resources to students, and many other things. But my favorite part is getting to know you all! I am always here to help and hope you will feel at home here at Woodside!

## TAKE WHAT YOU NEED, GIVE WHAT YOU DON'T

WOODSIDE COMMUNITY CENTER

### OUR STUDENTS ARE IN NEED OF:

- TOILETRIES, TOOTH BRUSHES/PASTE, TOILET PAPER, AND OTHER HYGIENE PRODUCTS
- **CANNED/BOXED FOOD AND DRINK ITEMS**
- MENSTRUAL PRODUCTS (TAMPONS, PADS, ETC)
- **CLEANING SUPPLIES**

WE ARE FORTUNATE TO RECEIVE COMMUNITY RESOURCES THROUGH COLLABORATIONS WITH LOCAL ORGANIZATIONS SUCH AS DURHAM WAYSMEET. MUCH OF OUR FOOD WILL GO TO WASTE IF NOT CONSUMED, SO WE INVITE ALL WOODSIDE RESIDENTS TO MAKE USE OF OUR RESOURCES.

### WOODSIDE COMMUNITY COUNCIL

# FAQ:

- **Did I receive a package?** Your best bet would be to check your email. As your package arrives, you will be notified immediately when it is scanned into the system. We process and sort mail as we receive it. Contrary to popular belief, we do not have a back room where we leave unprocessed mail. What you see on the shelves is what we've got. On the slim chance that you were not notified, reach out to [shannon.scott@unh.edu](mailto:shannon.scott@unh.edu) so we can see where the issue was.
- **Why was the mailroom closed during scheduled hours?** We try our best to notify the community when there is an unanticipated close. Unfortunately, due to our hiring and staffing capabilities, we are only able to hire one work study student to work at a time. If they fall ill, we do not always have someone available to cover that shift. We change shifts on the hour, so if you find yourself arriving a few minutes after the hour and the office is not open and you haven't heard anything, it may just be that the work study student is running late from class going over.

## *Mailroom Hours this semester:*

**MONDAY - THURSDAY: 10AM - 8PM**

**FRIDAY: 10AM - 6PM**

**WEEKENDS: 1PM - 5PM**

- **Are you hiring?** Not at this time. We are happy to welcome back a full staff of returners!
- **Why was there mail left outside?** Most delivery drivers follow our requests and read our signs outside that say "Do not leave mail outside.." Not all do, and we find that independent delivery companies, and some specific notorious better known ones, will disregard and leave mail wherever they please, including by the curb or in front of random doors. If you see something out and about, please bring it to us. We cannot see the front step from the mailroom.
- **HelloFresh/Other food deliveries:** We have very limited room in our fridge in the office. If you are expecting a HelloFresh delivery, please come and get it right away. We do dispose of food deliveries as the food begins to decay, as they are only meant to last unrefrigerated for 12hrs after delivery. We cannot guarantee fridge space for these deliveries.

## THE PARENT PORTAL

Students must authorize the University to allow their parents/guardians the ability to view selected student data such as billing and payment information, final grades and financial aid. Students begin the process by choosing Add/Manage Users under the Parent Portal option in Webcat in the student's MYUNH account. Parents/guardians will receive an email with a temporary password and activation instructions. NOTE: Parents will miss valuable information from Housing and the University if this step is not completed.

## APARTMENT SECURITY

You will gain access to Woodside by swiping your student ID Card. Once at your room, you will use your physical key to unlock your door. Key Loaning Services are Operated through the Woodside Mailroom. Individual rooms do not have exterior locks, so setting ground rules with roommates may be important!

## UNH ALERT SYSTEM

When an emergency occurs, authorized senders will quickly notify you using UNH Alert. UNH Alert is your personal connection to real-time updates, instructions on where to go, what to do, or what not to do, who to contact and other important information. Any student, faculty, staff, family or community member can sign up to receive the alerts. Sign up for UNH Rave Alerts at [alert.unh.edu](http://alert.unh.edu)

## COMMITMENT TO INCLUSIVITY IN RESIDENTIAL COMMUNITIES

We acknowledge the harmful identity-based incidents that some members of the community have faced at the University of New Hampshire. We commit to the process of building educational environments in our residential communities that are inclusive, diverse and equitable. To ensure civility and respect are fostered in our communities we will:

- Teach and educate students and staff through curriculum and dialogue
- Train residential staff and student leaders on topics related to inclusion and equity
- Not tolerate any form of discrimination and harassment
