Residents of the on-campus apartments or Babcock who would like to move to a residence hall may apply for an exception to the terms and conditions of the University of New Hampshire Room and Board Agreement (Section A4). Requests are considered on a space available basis, as determined by Housing. There is no guarantee that your request will be approved. Please keep the following in mind:

- If your request to move is approved, you will be sent an offer for a general space in the residence halls.
- Offers will be made via your UNH issued email address. Please check it regularly.
- Once a specific room is identified and offered, you may accept or decline the space. If you decline, your name will be moved to the bottom of the list.
- The residence halls are over-occupied during fall semester and exceptions to move from Babcock or the apartments are rarely approved. Space is more readily available for the spring semester.
