

Making Excellence Inclusive 2nd Biennial Inclusive Excellence Statewide Summit

Friday, April 20, 2012
Registration 8:15am, Program 8:45am – 3:00pm
SERESC Conference Center
Bedford, NH

Meeting Goals:

- Continue the platform for biennial summits to promote statewide strategic education and action
- Share the New Hampshire Higher Education and Community Strategic Guide
- Create new networks and solidify existing networks for collaborations
- Build linkages to promote the diversity of perspectives, cultures, experiences, and ideas
- Unearth strategies for advancing Science, Technology, Engineering and Mathematics (STEM) throughout the state

Registration information
\$35/person, includes lunch
payable through credit card or check

For more information contact Janice Pierson at UNH, Office of Inclusive Excellence, 603-862-1058 or janicep@unh.edu

Join us for this one-day summit designed to provide a platform for dialogue about ways to sustain institutional change, develop institutional and community collaborations, and leverage networks while building engaged learning communities in the face of New Hampshire's changing demographics

Keynote Speaker

Dr. Freeman Hrabowski, President, University of Maryland Baltimore County. President Hrabowski's research and publications focus on science and math education. In 2009 Time Magazine named him one of America's *10 Best College Presidents*. To watch the inspiring video of Dr. Hrabowski on CBS "60 Minutes" program, please visit the link: <http://www.youtube.com/watch?v=KgTo4tslgwM>

Roundtable Discussions and Panel Presentation by New Hampshire college and university leaders to share exemplary practices and initiatives implemented that fostered access, diversity, and excellence on their campuses and in the external community

Who Should Attend:

- Students, faculty, staff and administrators of New Hampshire colleges and universities
- Business leaders involved in advancing learning in a global society
- Community leaders and advocacy groups focused on increasing educational access and participation

Meeting Sponsors

New Hampshire EPSCoR, National Science Foundation Grant EPS#1101245, University of New Hampshire Inclusive Excellence Initiatives, Campus Compact for New Hampshire, New Hampshire College & University Council, and UNH Leitzel Center
