University of New Hampshire *undergraduate research journal*  
Hood House 218, Durham, NH 03824 ph: (603)862-3531, fax: (603)862-4837

Both parts of this form must accompany all research articles submitted for publication in *Inquiry*. Part B may not be necessary for submission of commentaries.

**Part A for the author(s)**

I hereby submit the attached manuscript, currently titled \_\_\_\_\_

\_\_\_\_\_. I am an author of this manuscript and, if the manuscript was prepared jointly with other author(s), I have informed all coauthor(s) of the terms of this Publication Agreement and am authorized to sign on their behalf. The author(s) have acknowledged in the manuscript all outside assistance received from any source and made any other attributions necessary (including attribution for artwork or other accompanying graphic materials). The author(s) have conducted the research or creative project credited to the author(s) in the manuscript. The author(s) have complied with UNH policies on the Use of Human Subjects in Research and/or the Care and Use of Animals. The author(s) warrant that the article contains no libelous or other unlawful statements, and does not infringe upon the rights of others.

The author(s) hold the copyright in the manuscript and have the right to present their work in other publications or proceedings. They acknowledge, however, that some journals require exclusive rights to research published and that it is the author(s)' responsibility to be familiar with those eligibility requirements, if applicable.

In the event the manuscript is accepted for publication in *Inquiry*, the author(s) grant to UNH a nonexclusive, royalty free, irrevocable license to publish the manuscript in both print and digital form, and to reprint the whole or any part of the manuscript for educational or promotional purposes after the initial publication, including but not limited to re-publication by EBSCO Publishing, Inc. UNH reserves the right to edit all submissions for length, clarity and presentation prior to publication.
