The NH Center for Public Policy Studies needs you.

Since 1996 the Center has delivered to New Hampshire's policy makers, news organizations, and citizens objective analysis that has become the foundation for better public policy. The Center gets no state or federal appropriation. We have survived and flourished because of the extraordinary generosity of the New Hampshire Charitable Foundation and a growing list of private donors. To maintain our independence, we need to broaden our base of contributors.

Our goal: 100 new contributors, each donating \$1,000 for an annual subscription to our research reports and an invitation to our policy forums.

Our guarantee: Even if you don't subscribe, you can get our reports for free. You can download them from our website or call and we'll mail you copies. For free. That's our mission: "to raise new ideas and improve policy debates through quality information and analysis on issues shaping New Hampshire's future," and to do so in ways that make the information available to *everyone*: legislators, school boards, small-business owners, voters. *As long as we can raise enough unrestricted money to support our inquiry into problems that matter to New Hampshire, we will keep making that information available at no cost to people who will use it.*

Our independence: The Center is a private, nonpartisan, not-for-profit organization. Our board of directors sets our research agenda. This report is a product of a research project sponsored by the Endowment for Health but most of the Center's work has no particular sponsor. Unrestricted donations allow the Center to pursue topics that grant-makers typically won't support: local governance, school funding, and corrections. The Center exists only because of the generosity of our donors.
