Notes:

Statistics are based on individual student responses to the four specific questions noted above on the standard form for student evaluation of teaching. Some departments or course have official exemption from using

"Q14" responses used in calculations are 5-1, where 5 = excellent and 1 = poor

For "Hours spent on course" and "Classes missed", valid responses are 0-23

Responses used in calculations for "Expected grade" are 1=A,2=B,3=C,4=D,5=F

ing the standard form for evaluation.
