

Availability of Results/Scores

### **Aggregate student evaluation of teaching descriptive statistics**

In cooperation with the Center for Teaching Excellence, you may access aggregate descriptive statistics on line, searchable by academic year, by college or department, and by course level at:

<http://db.unh.edu/vpaa/TeachEx/tereports.asp>

### **Individual instructor/course student evaluation of teaching reports**

To view results for a particular instructor or a particular course, the Dimond Library houses the complete University set (both Durham and Manchester courses). These reports are available at The Reserve Desk (paper format beginning ) and on microfiche (beginning Fall 1979, with paper backup beginning Fall 1986) in the Archives Collection.

### **Longitudinal Summary Statistics**

The links below provide for the most recent five years, means and standard deviations for four selected questions in pdf format, one file for each college in addition to a university summary.
