## 2005 Materials Science Workshop

Wednesday, October 19, 2005, 1:30–5:30 pm  
Squamscott Room, Holloway Commons, UNH campus, Durham, NH

You are invited to the second UNH Materials Science Workshop, at which faculty members and students will bring you up to date on progress in our research and educational activities. You will meet other scientists, engineers, faculty and students active in materials science in this region. Please feel free to bring others, and let us know you are coming. The workshop is free of charge.

### Agenda

1:30 – 1:40	Joseph Klewicki, Dean of the College of Engineering and Physical Sciences	Welcoming Comments
1:40 – 2:00	James Harper, Director	Overview of the Program
2:00 – 2:30	Todd Gross	Scanning Probe Microscopy and Surfaces
2:30 – 3:00	Tom Laue	Materials Science in Biochemistry
3:00 – 3:30	Refreshments	Student Posters
3:30 – 4:00	Jim Krzanowski	Thin films and Coatings
4:00 – 4:30	Yvon Durant	Nanostructured Polymers
4:30 – 5:30	Discussion	Student Posters

To **register**, and for additional information, please contact Tracey Harvey at [tracey.harvey@unh.edu](mailto:tracey.harvey@unh.edu) (603) 862-1353.

### Directions

UNH is only 65 miles North of Boston, in the Seacoast region of New Hampshire. See [www.unh.edu](http://www.unh.edu) for directions and a campus map. There will be reserved parking in Lot C, which is near Holloway Commons. Additional parking is available at the Visitor Center next to Lot A.

The list of Student Posters will be available on our web site prior to the workshop.
