

## Who Are We?

The International Women's Club formed in the Spring of 1999 as an initiative of the UNH President's Commission on the Status of Women. It was established in response to the needs as identified by the women of our international community.

Come together around the table with women from around the world. Bring a potluck dish to share (salad, entrée, dessert).

The club hosts potluck dinners, workshops, and cultural events.

The Club generally meets once a month on Friday night.

## Our Mission

The mission of the IWC is to support international women in our community and to assist them in learning about their new environment.

We seek to create a safe place where we respect and appreciate our differences as well as strive to recognize and build upon our commonalities.

Our vision is to establish a place where women from all nations and ethnic backgrounds gather to share their ideas and experiences.
