

2011 College OF HEALTH AND HUMAN SERVICES WORKSHEET

(Print and bring completed document to June orientation.)

This worksheet must be completed before you meet with your academic advisor. By completing this form, you confirm that you have begun to think seriously about your academic career at UNH. This enables your advisor to be as helpful as possible as you select courses for your first semester.

- List your major _____
- List career plans, if any _____
- List the recommended courses in your major (See next page). Review [course descriptions and numbers](#)

Course Number	Course Title

- List the four [Discovery courses](#) (see links for requirements and course descriptions and numbers below)

Course Number	Course Title

Important Links for Course Planning
