

Last Minute Information about PrOVES

We are excited that you will soon be on campus for PrOVES. Service sites are all set: Rochester Homemakers Adult Day Out Program, Riverside Rest Home, John Paul Jones House, Sandy Pointe Discovery Center, and the YMCA's Camp Gundalow. In addition, we plan a day of leadership development for you, an evening coffeehouse, a Portsmouth Harbor cruise, and a lot of other fun activities.

Here are some details:

Move in is Sunday, August 20 from 11 AM to 2 PM at Stoke Hall. Parking will be available there. Here is a link the UNH campus map:

www.unh.edu/welcome/campusmap.html

and directions to campus: www.unh.edu/transportation/visitor/unhbytransit.htm.

On Monday afternoon, we will help you move to your fall rooms. If you will be bringing things up for the official first year move in on Friday, August 25, then just bring to PrOVES what you would need for a summer week of volunteer work and fun. If on Sunday, you are bringing all your fall belongings, then organize them so that you need only unpack what you need for Sunday night and Monday. We will help you move on Monday. We have vans and lots of people. Please label everything, so that nothing gets lost.

You will have time to get familiar with campus during the week.

And remember the friends you make during PrOVES will last a very long time.
