

**All UNH faculty, staff, and students
(graduate and undergraduate) who
use and/or care for vertebrate animals
in teaching or research...**

Your attendance is required** at a training/
information session on the humane and ethical
care and use of vertebrate animals at UNH. The
session will be offered:

**Tuesday, October 20, 2009
12:40-1:30 p.m. (Spaulding G26)
&
Thursday, October 29, 2009
12:40-1:30 p.m. (Spaulding G26)**

You need only attend one. Attendance will be recorded.

Call Dean Elder (2-4629) or Julie Simpson (2-2003) with any
questions. Thank you for your attention.

**This training is a repeat of that offered in previous semesters; if you attended one of
these sessions, you need not attend now.
