WORKING TOGETHER FOR YOUR BENEFIT

WELCOME

Congratulations on your new job at UNH!
The Staff Councils serve as an informational and advisory committee to the President of the University. We educate staff about employment issues and work towards possible solutions.

Your questions and concerns are important to us. Contact your council representative and let us know what's on your mind. The Staff Councils are your communication link to the University administration.

Visit the websites for a list of council representatives or to find out how you can get involved.
