## Final Exam Schedule

Each course is assigned to one of the exam blocks shown on the grid above. The day and time of the first class meeting during the week determine the date and time for each exam. For example, a class which normally meets on MWF 10:10-11:00 a.m. has been assigned an exam time of 8:00 a.m.-10:00 a.m. on Monday, May 17. A class that meets MW 10:40 a.m.-12:30 p.m. will also have an exam time of 8:00 a.m.-10:00 a.m. on Monday, May 17.

Evening classes are placed in four groups according to the day and time of the first class meeting each week. Classes which meet on Tuesday and Thursday evenings will have exams from 6:00-8:00 p.m. on Tuesday, May 18; classes which meet on Thursday evening will have their exams from 6:00-8:00 p.m. on Thursday, May 13.

Students and instructors should note that Senate Rule 05.24(s) states: "Examinations at the end of each semester may be given in any course, but all such examinations must be scheduled ... Practical examinations covering laboratory work may be given during the last five days of classes preceding the examination period ... These exceptions apart, no announced oral or written test may be given during the last five days of classes preceding the examination period." The last day to give an examination before finals is **Monday, May 3**.

## Final "Common" Exams

A multiple-section course that has chosen to give a "common" final exam will be assigned to a common exam block and instructors will notify students of the time of the exam. Students who are scheduled for two common exams at the same time should check with their instructors to see which exam has priority.

## Three Exams in One Day

A student scheduled for more than two exams in one day may request the instructor to reschedule the middle exam. Students who need to have an exam rescheduled should make arrangements as early in the semester as possible, but in no case later than one week prior to the exam(s). If the student's request is unsuccessful, the student's college dean will arrange for the rescheduling of exams.
