

RESIDENCY STATEMENT FOR NON-DEGREE NEW HAMPSHIRE RESIDENTS

No person shall be eligible for in-state tuition status unless s/he is domiciled within New Hampshire. For University System purposes a person does not acquire a domicile in New Hampshire until he/she has been a resident of the state for twelve consecutive months immediately preceding registration for the term for which in-state status is claimed and meets all other requirements for domicile. Attending a college or university in New Hampshire does not meet the requirements for domicile.

This form applies only to students registering as non-degree students. Students enrolling in degree programs will have their residency status determined by the Undergraduate Admissions Office or the Graduate School and additional documentation may be required.

For how many months/years have you been a resident of New Hampshire? _____

I certify that I am financially independent and not supported or claimed as a dependent by my parent(s). I have been legally domiciled in the state of New Hampshire for at least 12 continuous months and have not been enrolled as a student during that time.
