Notice to Applicant		
<p>BOT.IV.E.2.2: "Domicile" means a person's true, fixed and permanent home and place of habitation, to the exclusion of all others. It is the place where the person intends to remain and to which s/he expects to return when s/he leaves without intending to establish a new domicile elsewhere.</p> <p>BOT.IV.E.6.1: No person shall be eligible for in-state tuition status unless s/he is domiciled within New Hampshire. For University System purposes a person does not acquire a domicile in New Hampshire until he/she has been a resident of the state for twelve consecutive months immediately preceding registration for the term for which in-state status is claimed and meets all other requirements for domicile. Attending a college or university in New Hampshire does not meet the requirements for domicile.</p> <p>This application is intended for persons registering as a non-degree student. Students enrolling in a degree program will have residency status determined by the Office of Admissions (undergraduate) or the Graduate School. Additional documentation may be required.</p> <p>Documentation Required</p> <p>Include a copy of your NH state driver's license or NH state ID with legal domicile.</p> <p>I certify that all information entered above is true and correct. I am financially independent and not supported or claimed as a dependent by my parent(s)/legal guardian(s). I have been legally domiciled in the state of New Hampshire for at least 12 consecutive months and have not been enrolled as a student during that time.</p>
