

STEM DOCENTS

Inspire
Teach
Engage

Extension.unh.edu/STEM-docents

UNH Cooperative Extension STEM (Science, Technology, Engineering, Mathematics) Docents are individuals dedicated to strengthening youths' appreciation and understanding of STEM. Learn about the specifics of becoming a STEM Docent volunteer.

- Receive in-depth, ongoing training on inquiry-based, NGSS-aligned curriculum and how to deliver STEM activities to engage youth.
- Volunteer to teach multi-day, one hour lessons in classrooms or out-of-school-time programs (ages 8-13).
- Already work in the classroom? Become trained to integrate these engaging STEM curricula in your classroom and join a statewide network of STEM Docents. PD hours and CEUs available.
