

Welcome to Wildcat Careers!

(Log in with your Blackboard username and password)

Here are a few ways you can use your account:

Your **Documents** tab is where you can save your resume and cover letter(s). (Some employers have you apply right through the system.)

** Once you upload a resume, you can also add it to one of our major-specific "resume books" for employers to see.*

The **Events** tab allows you to see which companies are scheduled to visit campus to recruit or hold info sessions for students.

Your **Shortcuts menu** provides you with a quick place to schedule a counseling appointment.

The **Jobs & Internships** tab helps you search the entire directory of PT, FT, and internship opportunities posted by employers.

The **Job Finder** on your Home screen allows you to see what jobs employers have submitted that match your major, year, skills, etc. (Click See the Full List to see all matches.)

The screenshot shows the Wildcat Careers website interface. On the left is a dark sidebar with a menu: Home, Profile, Documents, Jobs & Internships, Events, Interviews, Employers, Surveys, Resources, and Calendar. The main content area features a user profile for 'AAAFrank AAFAke', a 'News Feed' with job listings, and a 'Shortcuts' menu on the right. Orange arrows point from the text blocks to the 'Documents' menu item, the 'Events' menu item, the 'Jobs & Internships' menu item, the 'Job Finder' notification in the News Feed, and the 'Shortcuts' menu.
