### Job Search Resources for Seniors

Your access to the services of the University Advising & Career Center doesn't end with graduation. Many resources are available via our website and others are available by visiting the UACC. We are open year 'round so if you don't have a chance to meet with one of our career counselors before graduation come see us this summer.

#### **In Person - (to set up an appointment call 862-2064)**

##### **One-on-one career counseling can help you with:**

- Sorting out your vocational interests and identifying possible careers
- Resumes
- Interview tips and practicing for actual interviews
- Job search strategies
- Graduate school applications

#### **On-Line - ([www.unh.edu/uacc/](http://www.unh.edu/uacc/))**

Browse through our website to find most of our handouts, links to great, career-oriented websites as well as the specific job search tools listed below:

##### **UNH's W.O.R.K./MonsterTRAK**

- On-line job database where the UACC lists internships, resume drops and on-campus interviews.
- Access it by clicking on the link in the blue menu bar at the top of the screen.
- School password is wildcats, then you can set up your own username and password.
- Detailed instructions for navigating are available at [www.unh.edu/uacc/handouts.html](http://www.unh.edu/uacc/handouts.html).

##### **Career Mentor Network**

- Over 370 member database of career professionals willing to give you advice and information about their fields, employers and career paths.
- Access them via the W.O.R.K./MonsterTrak program.

##### **Post-Graduation Internships**

- W.O.R.K./Monstertrak lists over 500 ways you can get more experience and get ahead of your competition.
- Almost 60% of interns got a permanent job offer from their internship employer in 2004.

##### **Alumni Jobline**

- Click on the link in the blue menu bar to view currently available job postings.
- Job postings all require a college degree and are in New England.
- Jobs are updated each Friday.
