General Education Program Requirements

The student should consult her/his undergraduate catalog for specific courses that fulfill each category of the general education requirements listed below.

Students must fulfill the following general education requirements:

1. One course in writing skills, which must be taken during a student's first year;
2. one course in quantitative reasoning, which must be taken during a student's first year;
3. three courses in biological science, physical science, or technology, with no more than two courses in any one area;
4. one course in historical perspectives;
5. one course in foreign culture (may also be satisfied by approved study abroad programs);
6. one course in fine arts;
7. one course in social science; and
8. one course in works of philosophy, literature, and ideas.

The required courses cannot be taken on a pass/fail basis. No single course may be counted in more than one general category.
