

Curriculum Vita

JAMES D. RAMSAY, Ph.D., MA, FASSP, CSP (#19111)

5 Nesbitt Drive
Bow, New Hampshire, 03304
c) 386-405-5260; aussieprof2500@hotmail.com

Professor of Security Studies
University of New Hampshire
o) 603-641-4308; james.ramsay@unh.edu

EDUCATION

Ph.D., Population Health, [University of Wisconsin - Madison](#) May 1994

Major area: Health Services Research (**Joint - Industrial Engineering & Preventive Medicine, now called [Population Health](#)**)

Minor area: Research Methods

Dissertation: *Causal Factors of Nursing Facility Quality: An Empirical Test of the Structure, Process and Outcome Quality Paradigm.*

Major Advisors: David Kindig, MD, Ph.D. and Mark Covaleski, Ph.D., CPA

Master of Arts, Business, [University of Wisconsin - Madison](#) May 1988

Health Systems Administration; Concentration in Preventive Medicine

Thesis: *Screening for Coronary Heart Disease Using Total Cholesterol: An Economic Analysis.*

Major Advisors: David Kindig, MD, Ph.D. and James Davis, MD

Bachelor of Science, [University of Wisconsin - Stevens Point](#) May 1984

Majors: Biology, Natural Science; Minors: Chemistry, German

PROFESSIONAL EXPERIENCE

Founding Chair, Department of Security Studies (SS) 5/20-present

[University of New Hampshire](#)

Full Professor of Security Studies

Designed and established the SS Department in 2020

Founding Chair, Department of Business, Politics & Security Studies (BPSS) 12/16-5/20

[University of New Hampshire](#)

Full Professor of Security Studies

Designed and established the BPSS Department in 2016

Founding Coordinator, [Homeland Security Program](#) 8/15-present

[University of New Hampshire](#)

Full Professor of Security Studies

Designed and established the BS in Homeland Security in 2015, over 200 majors (8/19);

Designated as a NSA/DHS Cybersecurity Education Center of Academic Excellence, 8/19

Founding Chair, [Department of Security Studies & International Affairs \(SSIA\)](#) 9/13 to 8/15

[Embry-Riddle Aeronautical University \(ERAU\)](#), College of Arts and Sciences

Full Professor of Homeland Security (promoted/tenured spring '08)

8/08 to 7/15

Designed and established the SSIA Department in 2013

Major duties:

- *Managed >\$1.8M budget for 17 faculty/staff; 2 undergraduate degrees; 2 graduate degrees; 5 minors over 1,350 students and 4 program coordinators each semester.*

- *Led, developed & implemented strategic direction of the department; manage integration with advisory board.*
- *Managed faculty workload, travel, scheduling, program review and assessment.*
- *Facilitated and conduct faculty promotion, tenure and performance reviews.*
- *Supported program enrollment and marketing, faculty hiring and credentialing.*

Founding Coordinator, Homeland Security Program	6/06 to 12/13
<i>Embry-Riddle Aeronautical University (ERAU), College of Aviation</i>	
Full Professor of Homeland Security (promoted/tenured spring '08)	8/08 to 6/13
Associate Professor of Homeland Security	6/06 to 8/08
Department of Applied Aviation Sciences	
<i>Designed and established the BS in Homeland Security in 2006. Grew program from 1 faculty to 7 faculty, and from no majors to over 320 majors, offering over 30 sections of courses to approx. 650 students/semester by 2013.</i>	
<i>Major duties:</i>	
<ul style="list-style-type: none"> • <i>Developed strategic direction of the program; manage integration with advisory board on curriculum planning, enrollment, student recruitment, and retention efforts & internship program.</i> • <i>Managed faculty workload, travel, scheduling, program review and assessment.</i> • <i>Facilitated faculty promotion, tenure and performance review.</i> • <i>Supported innovative teaching practices, academic quality, research efforts among faculty, maintained and executed a system of academic advising.</i> • <i>Developed partnerships with external agencies to facilitate student research/capstones.</i> 	
Associate Professor of Safety Sciences	8/05 to 8/06
<i>Indiana University of Pennsylvania (IUP), College of Health & Human Services</i>	
Department of Safety Sciences	
Coordinator, Safety and Health Protection Program	8/95 to 8/05
<i>University of Wisconsin-Stevens Point (UWSP), College of Professional Studies</i>	
School of Health Promotion and Human Development	
Full Professor of Health Promotion and Health Protection (promoted fall '04)	12/04 to 8/05
Associate Professor of Health Promotion and Health Protection (tenured fall '99)	5/99 to 12/04
Assistant Professor of Health Promotion and Health Protection	8/95 to 5/99
Associate Researcher	6/94 to 8/95
<i>University of Wisconsin - Madison, Department of Preventive Medicine</i>	
□ Post-doctoral fellow.	
Research Assistant	8/90 to 6/94
<i>University of Wisconsin - Madison, Center for Health Systems Research and Analysis.</i>	
□ National Nursing Home Quality and Case Mix Demonstration (HCFA funded grant # 18-C-99265/5-04).	
Teaching Assistant	9/88 to 8/90
<i>University of Wisconsin - Madison, Graduate School of Business</i>	
Graduate Research Assistant	8/87 to 8/88
<i>University of Wisconsin - Madison, Health Administration Graduate Program</i>	
Research Assistant	9/85 to 8/87
<i>University of Wisconsin - Madison, Department of Nutrition Sciences</i>	

Research Assistant 6/84 to 9/85
Mayo Clinic, Gastroenterology Unit, Cholecystokinin Research

Owner, Something's Afoot, LLC 8/01 to 8/06
Designed and led bicycling and hiking adventure tours to Europe, the UK and Central America.

NOTABLE LEADERSHIP POSITIONS

- **Co-Founder/President, [International Society for Preparedness, Resilience & Security](#)** 5/13-
- **Board Member (elected) – [IAFIE](#)** 6/19-
- **Board Member (elected; current VP) – [New Hampshire InfraGard](#)** 6/19-
- **Vice President, Council on Accreditation in EM and HS Education** 10/19-
- **US CDC/NIOSH [Institutional Review Board](#)** 7/15-
- **Editorial Review & Advisory Boards: [Homeland Security Affairs Journal](#); [Journal of Homeland Security & Emergency Management](#); [Journal of Human Security and Resilience](#); [International Journal for Security, Resilience & Intelligence Education](#)**
- **Advisory Board: [Order of the Sword & Shield](#), National Homeland Security Honor Society** 5/12-
- **Chair, FEMA Special Interest Group (SIG) “Unity of Effort: HS/EM”** 7/16-
- **US CDC/NIOSH [Board of Scientific Counselors](#) (appointed by the Secretary of the US Dept of HHS)** 7/11-7/15
- **Director, [ABET](#) Board of Directors/Delegates** 10/10-10/16
- **ABET Commissioner (ABET PEV 9/98-present)** 10/09-10/10
- **Vice President, Council of Academic Affairs and Research, [ASSP](#)** 5/18-6/19
- **Chair, [ASSP](#) Education Standards Committee** 8/06-8/16
- **University Program Advisory Boards: University Maryland-University College; and Colorado Technical University.**
- **US Chamber of Commerce, Cybersecurity Leadership Council** 7/16-9/17

TEACHING AREAS (*Courses Developed and Taught*)

- **Currently Teaching:** Environmental & Human Security (undergraduate); Strategic Planning and Decision Making (undergraduate); Senior Capstone (undergraduate); Intelligence Systems (undergraduate); Introduction to Homeland Security (undergraduate).
- **Courses Developed and Taught:**
 - **Homeland Security (HLS):** Environmental & Human Security (undergraduate and graduate); Senior Capstone in HLS (undergraduate); Strategic Planning and Decision Making in HLS (undergraduate); Terrorism: Origins, Ideologies and Goals (undergraduate); Emergency Management (undergraduate); Exercise Design and Evaluation (undergraduate); Intelligence Systems and Structures (undergraduate); Cybersecurity Fundamentals

- (undergraduate); Business Skills in Homeland Security (undergraduate); Introduction to Homeland Security (undergraduate).
- **Specialty Areas:** Human Security, Research Methods & Statistics (graduate).
 - **Safety, Health Promotion and Environmental Studies (OSH):** Environmental Health (undergraduate & graduate); Evaluation Principles in Health Promotion & Health Protection (graduate & undergraduate); Principles of Occupational Safety and Health (undergraduate & graduate); Industrial Hygiene (undergraduate); Epidemiology (undergraduate & graduate); Engineering Design of Controls (undergraduate); OSHA 30-hour course; Senior Capstone in Health and Safety (undergraduate).

CURRENT RESEARCH INTERESTS

- Climate security: the relationship between environmental and human security, resilience, and national security strategic planning.
- Small to mid-sized business resilience.
- The design and economic evaluation of security, health, safety or prevention programs.
- Education standards, accreditation and degree integrity in higher education and the evolution of academic disciplines (e.g., homeland security, intelligence, emergency management, occupational safety and health).

TEXTBOOKS (all blind peer reviewed)

Lanicci, J., EHH Murray, Ramsay, J. (order determined alphabetically). “Environmental Security: Concepts, Challenges and Case Studies.” American Meteorological Society Publications. ISBN 978-1-944970-41-3, the e-book version 978-1-944970-42-0. 14 chapters.

In addition, author of 3 chapters:

- 1) Food Security with Linda Kiltz
- 2) Water Security with Terrance O’Sullivan
- 3) Security as Resilience with Hope Murray and John Lanicci

Ramsay, J. and L. Kiltz. “Critical Issues in Homeland Security: A Casebook.” Routledge (Taylor & Francis Group). 2018 New York, New York. ISBN 13 978-0-8133-4827-8. 7 chapters, 14 cases. (First published, 2013).

In addition, author of 2 cases:

- 1) Ramsay, J. and J. Lanicci. “*Arctic Security; Oil, Polar Bears, Melting Ice Caps and US National Security.*”
- 2) Lanicci, J. and J. Ramsay. “*The Security Implications of Natural Disasters: The case of Hurricane Katrina.*”

Logan, K. and J. Ramsay (co-editors) “Introduction to Homeland Security.” Routledge (Taylor & Francis Group). 2018 New York, New York. ISBN 978-0-8133-4598-7. 14 chapters. (First published, 2012).

In addition, author of 3 chapters:

- 1) Hart, S. & J. Ramsay on “*Fundamentals of Critical Infrastructure Protection.*”
- 2) O’Sullivan, T. & J. Ramsay on “*Environmental Security and Public Health.*”
- 3) Ramsay, J. “*Epilog.*”

TEXTS, MANUSCRIPTS, CHAPTERS OR ABSTRACTS IN PREPARATION

Ramsay, J., K. Cozine J. Comiskey. “Theoretical Foundations of Homeland Security: Strategies, Operations and Structures”. Textbook in preparation and due Summer 2020. Contract with Routledge (Taylor and Francis Group). 14 chapters, author/coauthor of 3 chapters.

REFEREED SCHOLARSHIP (Articles, Abstracts, Chapters, Conference Proceedings & Presentations)

2020 Macpherson, A. and J. Ramsay. “*National Security Intelligence and Environmental Security: Policy Choices to Address an Existential Threat.*” Presentation at the 16th Annual International Association for Intelligence Education Conference, Venice, Italy (conference was in June 2020, moved to fall 2020 due to COVID-19).

2019 Jenson, S., S. Jensen, T O’Sullivan, C. Carlson, J. Ramsay. “*Developing a Roadmap to Professionalization in Homeland Security and Emergency Management.*” Presentation to the annual national Homeland Security Education Summit, Monterrey CA, Oct. 2019.

McCombie, S., J. Ramsay, A. Uhlmann. “*Cyber Intelligence: Leveraging data science and cybersecurity methods to enhance analytical rigor in the intelligence discipline.*” Presentation at the 28th Annual National AIPIO Conference, Sydney, Australia.

McCombie, Stephen; Ramsay, James D and Uhlmann, Allon J. “*The elusive field of cyber intelligence: Notes from the educational front*” [online]. Journal of the Australian Institute of Professional Intelligence Officers, Vol. 27, No. 2, 2019: 22-42. Availability: <https://search-informit-com-au.simsrad.net.ocs.mq.edu.au/documentSummary;dn=827272362272489;res=IELHSS> ISSN: 1039-1525. [cited 07 Jan 20]. Awarded “Best Paper for 2019” by AIPIO

Macpherson, A. and J. Ramsay. “*Enhancing Intelligence Education to Better Serve State and Local Agencies: A Case Study in New Hampshire.*” Presentation at the 15th Annual International Association for Intelligence Education Conference, New York, NY, June 2019.

Ramsay, J. and S. McCombie. “*Cyber Intelligence-Evolving Intelligence Education to Meet Cyber-based Threats.*” Presentation at the 15th Annual International Association for Intelligence Education Conference, New York, NY.

Jenson, S., S. Jensen, T O’Sullivan, C. Carlson, J. Ramsay. “*Building on Common Ground: Emergency Management and Homeland Security Education.*” Presentation to the annual National FEMA Higher Education Symposium, Emmetsburg, MD, June 2019.

Hudson, D., J. Ramsay, “*A Roadmap to Professionalism: Advancing Occupational Safety and Health Practice as a Profession in the United States.*” Safety Sciences vol 118, October 2019 pg 168-180.

Ramsay, J. “*Disaster Relief in a Conflict Zone: The Case of Syria*”. Chapter case study in the text entitled “Cultural Competency Case Studies for Emergency and Crisis Management” (2019) by Routledge, Text editor Claire Knox & Brittany Haupt. ISBN: 9780367321833

- Feldmann-Jensen, S., C. Hackerott, Knox, C., J. Ramsay, D. McEntire, A. Jerolleman. “*The Scholarship of Teaching and Learning in Emergency Management and Homeland Security: Trends, Gaps, Barriers and Opportunities*”. Journal of Emergency Management vol. 17 no. 1 July 2018.
- 2018** Ramsay, J. and T. O’Sullivan. “*Human Security and Climate Change as Wicked Problems in Homeland and National Security: Implications for a More Resilient National Security Strategy*.” Presentation at the 11th Annual Homeland Security Annual Summit, Albany, NY, Oct 10-13, 2018
- Ramsay, J. “*Case-based Intelligence Approaches for Homeland Security’s Wicked Problems*.” Paper and presentation at the 3rd annual International Association for Intelligence Education, Europe Chapter, Leicester, England. September 2018.
- Ramsay, J. and I. Renda-Tanali. “*Development of Competency-Based Education Standards for Homeland Security Academic Programs*.” Journal of Homeland Security and Emergency Management. <https://doi.org/10.1515/jhsem-2018-0016>, published 9-11-2018.
- Ramsay, J. “*Leveraging the Intelligence Process to Understand Wicked Problems in Homeland Security Programs*.” Paper and presentation at the 14th annual International Association for Intelligence Education, Sydney Australia. July 2018.
- Knox, C. and J. Ramsay. “*Scholarship of Teaching and Learning in Emergency Management Higher Education: Trends and Gaps*” Presentation at the 79th annual international conference of the American Society of Public Administration (ASPA), Denver, CO, Mar 2018.
- Ramsay, J. “*Framing the Occupational Safety and Health Profession: A Brief History, and Roadmap for the Future*.” Book chapter in Environmental Health and Safety Leadership and Professional Development, Hill, D and Olawoyin, R editors, published by ASSE, 2018.
- 2017** Ramsay, J. and E.H.H. Murray. “*The Light under the Bushel: Redefining US National Security Strategy by Leveraging Principles of Human Security to Address Underlying Causes of Asymmetric Insurgencies*.” Presentation at the 10th annual Homeland Security Education Summit, Washington DC, Mar 2017.
- Comiskey, J. and J. Ramsay. “*To Serve and Protect: A New Policing Education Model for the 21st Century*.” Presentation at the 10th annual Homeland Security Education Summit, Washington DC, Mar 2017.

Ramsay, J. “*Very Light Jets, Air Taxis as an Emergent Profession and Security*”. Panel presenter and reactant at the Industry-Educator Forum, AABI spring meeting, Melbourne, FL. February 2007.

W. Jones & J. Ramsay. Moderator & Session Author, Key Issues Roundtable #6, “*What Should Colleges and Universities Teach? What do Employers Want their Entry Level Occupational Safety Graduates to Know?*”, invited presentation for the ASSE Council on Practices and Standards, Professional Development Conference, Orlando, FL, June 2007.

Ramsay, J. “*Outcomes Based Accreditation*”. ERAU Assessment Workshop, Daytona Beach Campus, September 2006.

McGlothlin, C. and J. Ramsay. “*ABET PEV Training Seminar*”. Designed and taught a 3-hour workshop at the ASSE PDC, Seattle, WA, June 2006.

Ramsay, J. “*Changing the face of safety: From compliance to profit.*” Invited presentation at the 2006 Chesapeake Bay ASSE Regional Conference, April 2006.

Ramsay, J. “*Integrating Health & Safety: What Might ASSE’s Role Be?*” Invited presentation at the NIOSH STEPS to a Healthier US Workforce Symposium, Washington, DC, October 2004.

Ramsay, J. “*Working Group #2 Panel Discussant – Policy and Practice Working Group.*” Invited presentation at the NIOSH STEPS to a Healthier US Workforce Symposium, Washington, DC and Panel discussant of the NIOSH commissioned paper “*Examining the Value of Integrating Occupational Health and Safety and Health Promotion Programs in the Workplace*” by Ron Goetzel, PhD, Cornell University, October 2004.

Ramsay, J. “*The Origins of Nursing Safety: A New Look at JHAs for Nurses*”. Invited talk to the Embry-Riddle Aeronautical University-Prescott Campus, October 2004.

Ramsay, J. “*Interrelationships Between Worksite Health and Safety.*” Invited presentation at the annual National Environmental Managers Association meeting. Orlando, FL, October 2004.

Ramsay, J. “*Current Issues in Health Care Safety: The Origins of Nursing Hazards: a new look at JSAs for nurses*”. Invited Presentation at the National Safety Council International Congress, New Orleans, LA, September 2004.

Ramsay, J. “*Academics Practice Specialty Forum – A National Meeting.*” (panel facilitator). Invited presentation at the Professional Development Conference by the American Society of Safety Engineers, Las Vegas, NV, June 7-10, 2004.

Ramsay, J. K. Sziotnyak. A live national online chat with Cyber Feds (a national resource journal for federal HR professionals) on April 22, 2004.

Ramsay, J. “*Current Issues in Health Care Safety: Hazards in Nursing.* (panel discussant). Invited Presentation at the National Safety Council International Congress, Chicago, IL, September 2003.

Ramsay, J. “*Dietary Consequences of Beef Consumption*” Invited presentation at the annual spring Simplicity Week Celebration at UWSP, April 29, 2003.

Ramsay, J. “*Current Issues in Health Care Safety. Needles and Sharps: Will We Ever Learn?*” (panel discussant). Invited Presentation at the National Safety Council International Congress, San Diego, CA, October 2002.

Ramsay, J. and A. Hoffman. “*Using Peers to Study Cessation and Relapse Among UW Stevens Point Smokers.*” Invited Presentation at the Wisconsin Campus Tobacco Summit, April 2002.

Ramsay, J. “*Principles of Wellness and Cost Relatedness.*” Invited Keynote Presentation at the 4th Annual Marshfield Clinic Occupational Health Conference, October 12, 2001.

Ramsay, J. “*Current Issues in Health Care Safety: Showing Economic Return on Your Safety Investment*” (panel discussant). Invited presentation at the National Safety Council International Congress, Atlanta, GA, September 2001.

Ramsay, J. “*Ecological Consequences of Beef Production.*” Invited presentation at the Spring, 2001 Meat Out Celebration at UWSP, April 20, 2001.

Ramsay, J. “*Current Issues in Health Care Safety: Needle Sticks and Sharps.*” (panel discussant). Invited presentation at the National Safety Council International Congress, Orlando, FL, October 2000.

Ramsay, J. “*Current Issues in Nutrition.*” Invited Key Note Address to the Wisconsin State Association of Worksite Health Promotion annual state conference, Appleton, WI, November 1999.

Ramsay, J. “*An Integrated Approach to Safety and Health Education.*” Invited presentation to the Wisconsin State Risk Manager’s Meeting, Stevens Point, WI. September 1999.

Ramsay, J. “*Relating Organizational Culture to Occupational Safety and Health.*” Invited presentation to the annual Minnesota state safety conference and the Annual National Meeting of the National Safety Council Executive Committee – Health Care Section, May 1999.

Ramsay, J. “*The UWSP Health Promotion and Occupational Safety and Health programs – A Combination for The Future.*” Invited presentation to the Jefferson WI county Area Network, (54+ companies, 12,000+ employees) January 1999.

Ramsay, J. *“The Ecological Consequences of Beef Production.”* Invited presentation to the UW Stevens Point Lifestyle Assistants Program, Earth Week Celebration, April 1998.

Ramsay, J. *“How Do You Calculate the Economic Value of Your Worksite Safety Program?”* Invited presentation at the Annual National Meeting of the National Safety Council Executive Committee – Health Care Section, Las Vegas, NV, June 1998.

Ramsay, J., Aittama T. *“Campus Wellness: How to Identify and Evaluate Risks.”* Invited presentation at the annual state meeting of the University of Wisconsin System Environmental Health and Safety Association, August 1997.

Ramsay, J. *“Exploring the Economic Value of Worksite Health Promotion Programs Based on Behavior Staging.”* Invited presentation at the annual state meeting of the Wisconsin Association of Worksite Health Promotion Programs, November 1996.

Abbott, A. and J. Ramsay. *“Exploring the Bridges Between Health Promotion and Health Protection.”* Invited presentation at the Midwest Occupational Health and Safety Association, Minneapolis, MN, September 1996.

Ramsay, J. F. Sainfort. *“Medical Outcomes Research: A New Model of Health Care Quality.”* Invited presentation at the State Medical Society of Wisconsin’s Statewide Symposium, October 1995.

Ramsay, J. *“An Empirical Causal Model of Nursing Facility Quality.”* Invited presentation at the Indiana University Health Policy Seminar Series, March 1995.

Sainfort, F., and J. Ramsay *“Quality of Care in Nursing Facilities: The Structure, Process and Outcome Paradigm Revisited.”* Invited presentation at the Health Policy Research Seminars Series, University of Wisconsin - Madison, November 1994.

GRANT ACTIVITY (Extra- and Intramural Grants and Contracts)

Ramsay, J. and M. Hickey. *“A Proposal to Expand Homeland Security Access at UNH”.* A competitive, internal grant submission to the UNH Provost. Funded May 2016 for 3 years at: \$395,600

Kessler, G. (PI) and J. Ramsay (Co-PI). *“A Consensus-Driven Cybersecurity Curriculum for the Homeland Security Education Community: A Set of Recommendations for the Department of Homeland Security.”* \$5,000 for curriculum development, US DHS, Summer, 2014.

Kessler, G. (PI) and J. Ramsay (Co-PI). *“Development of an Outcomes-Based Cybersecurity Curriculum within an Undergraduate Homeland Security Program.”* Requested \$300,000 over a two-year period, with two universities in Texas, submitted to NSF December 2013, decision pending.

McCune, D., W. Cheek, J. Ramsay. *“Emergency Planning Efforts for Two Residential Campuses of Embry-Riddle Aeronautical University: Florida and Arizona.”* DOE RFP 84.184T, requested \$496,837 over 18 months, submitted May 2008, not funded.

Ramsay, J. *“Assessment in Homeland Security.”* Awarded \$5,000 in a competitive intramural process, May 2007.

Friend, M., J. Ramsay, R. Pernel Co-PIs. “*FAA Aviation Safety Inspector (ASI) Course Development.*” Awarded \$112,000 by the US FAA “Cooperative Agreement 04-C-GA-ERAU Amendment 29”, September 2007. Project completed, and final report submitted, September 2007.

Ramsay, J. “*A Study of Emergency Nursing Job Safety/Hazard Analyses.*” Awarded \$10,000 from the US Veteran’s Administration. This is a joint project between Ramsay J., the US VA System and the National Safety Council, July 2003.

Ramsay, J. “*The Development of Safety Expertise: Enriching Productivity and Teaching Through A Professional Credential.*”, a UWSP UPDC grant. Awarded \$600 in October 2002.

Ramsay, J. (PI) “*Development of a Student-based Research Program and Industry Safety Professorship.*”, \$50,000 from the CN Railroad Co., August 2002.

Ramsay, J. (PI), A. Hoffmann, J. Munson. “*Using Peer Facilitators to Enhance Smoking Cessation Among Undergraduate Students.*” Competitive grant awarded by the WI Center for Tobacco Research and Intervention, received \$24,850, August 2001.

Ramsay, J. “*Annual Safety & Health Protection (SHP) Learning Lab Student Coordinator Support: an annual grant of \$7,000/year.*”. Received \$37,500 in support for the UWSP SHP Learning Lab Student Coordinators from JJ Keller, Inc., September 2000 – August 2005.

Abbott, A. and J. Ramsay, “*Employee Wellness Teaching and the Safety/Health Protection Learning Lab Request for Upgrading Facility and Office.*”, \$3,650 Competitive grant awarded by the UWSP Foundation, December 1999.

Ramsay, J. “*Development of the UWSP Safety & Health Protection (SHP) Learning Lab.*”, \$18,500 from JJ Keller, Inc., September 1999.

Ramsay, J. “*Occupational Health & Safety Training in the UWSP Safety and Health Protection Program.*” 5-year grant for \$384,849 was submitted to the National Institute of Occupational Health and Safety #CCT510458. Competitive grant awarded a 1-year amount of \$8,983 in July 1999 at which time the NIOSH program was eliminated.

Palmini, D. and J. Ramsay “*UWSP Interdepartmental Environmental Literacy Course Development Grant.*” A UWSP Provost grant. Awarded \$3,910 in August 1997.

Abbott, RA, J. Ramsay et al., “*NIOSH Training Grant*” #CCT510458, \$37,261, for the academic years, ‘97- ‘99. Competitive grant awarded to continue the development of an academic minor in safety and health protection, June 1997.

Ramsay, J. UWSP Professional Development Grant. “*Safety Management Techniques.*” A UWSP UPDC grant. Awarded \$1,765 in February 1997.

Ramsay, J. UWSP Professional Development Grant. “*Principles of Occupational Safety and Health.*” A UWSP UPDC grant. Awarded \$1,911 in February 1996.

Dunham, N., J. Ramsay, D. Libby, Co-PIs, “*Proposal to Develop a Policy Background Paper, The Office of Health Care Information’s Provider Surveys: A Review of Key Policy and Design Issues.*” Funded by the Wisconsin State Office of Health Care Information. Awarded \$5,000 in June 1995.

**MANAGED STUDENT & PERSONAL CONSULTING EXPERIENCES In:
Emergency Management, Homeland Security and Occupational Safety and Health**

18+ years. Selected projects & clients include:

- Resilience and Preparedness Plan for Live and Let Live animal sanctuary, Concord NH
- Emergency Preparedness Plan development for Concord High School, Concord NH
- COOP and EMP for the annual hot air balloon festival, the City of Pittsfield NH
- St. John’s University – external reviewer and evaluator for the PhD in Homeland Security.
- Monmouth University - external reviewer and evaluator for the BS and MS program in Homeland Security.
- Norwich University Applied Research Institutes – Subject Matter Expert, FEMA Community Education and Cyber Preparedness in the Private Sector.
- COOP plans for the city of DeBary, FL; the city of New Syrma Beach, FL
- Embry-Riddle Aeronautical University, Bethune-Cookman, University of Central Florida, Stetson University, Daytona State College - COOP plan template development.
- Grainger Industrial Supply – emergency management risk analysis.
- Volusia County Chamber of Commerce – risk assessment and emergency management plan development.
- Volusia County Beach Patrol - Access user interface to perform trend analysis and strategic planning.
- Volusia County Beach Patrol - active shooter and Tsunami emergency plans, and tabletop exercises, conducted and evaluated.
- Embry-Riddle Aeronautical University - Emergency Management Plan development and web-based implementation, COOP plan, DHS certified CERT instructor, CERT instructor for Volusia County FL Emergency Operations Center.
- Daytona 500 Speedway - Risk assessment.
- City of Deland, Volusia County FL after action report from 2007 hurricanes.
- University of Wisconsin Stevens Point emergency management plan author.
- Team Schierl, Inc. (Organization wide safety program and most standard compliance programs, emergency management program).
- City of Stevens Point (city-wide cooperative AED program with Red Cross and 5 businesses)
- Rice Medical Center (OSHA Blood Borne Pathogens (BBP) program and web-based training; ergonomic aspects of medical records and lab settings).
- Milwaukee Public Museum (OSHA Haz Com, BBP)
- Chippewa Falls Parks and Recreation Dept (LO/TO, BBP, Haz Com, Confined Spaces).
- Gander Mountain (ergonomic and special lift assists).
- Worzalla Publishing (OSHA hearing conservation program).

- Stevens Point Brewery (OSHA Haz Com, BBP, LO/TO).
- Miller Electric (Isolation of chemical and atmospheric hazards in varnish dip tank).

PROFESSIONAL SERVICE, DEVELOPMENT & INVOLVEMENT

Scholarly Positions in the Homeland Security, Safety, Health or Environmental Professions

- Board member & Vice President (elected), New Hampshire InfraGard; 6/19-present.
- Board member (elected; membership chair) International Association for Intelligence Education (IAFIE) 6/19-present.
- Annual UAPI Homeland Security Education Summit Planning/Reviewing committee, 5-18-present.
- Member, ASSP Council on Academic Affairs and Research, 5/18-present.
- Vice President, ASSP Council on Academic Affairs and Research, 5/18-6/19.
- Member, US Chamber of Commerce Cybersecurity Leadership Council, 7/16-9/17.
- Lead, FEMA Special Interest Group “Homeland Security & Emergency Management Unity of Effort”, appointed, 7/16-present.
- Member, CDC/NIOSH Institutional Review Board and Disaster Response IRB task force, (invitation), 8/15-present.
- Founder and President; International Society for Preparedness, Resilience and Security (INSPRS), 5/13-present.
- Editorial Review Board, [Journal of Homeland Security and Emergency Management](#), 7/13-present.
- Editorial Review Board, [Homeland Security Affairs Journal](#), 4/13-present.
- Advisory Board and Editorial Review Board, [Journal of Human Security and Resilience](#), 8/13-present
- Advisory Board and Editorial Review Board, [Journal of Homeland Security Education](#), 8/11-8/18, now the [Journal of Security, Intelligence and Resilience Education](#).
- Advisory Board, Colorado Technical University, graduate program in homeland security, 8/14 – 8/18.
- Advisory Board, University Maryland, University College, graduate homeland security and emergency management programs, 8/14-present.
- Member, American Society of Safety Engineers “*Framing the Profession*” task force (by invitation), Dr. Darryl Hill, former ASSE President, Chair, 1/12-2/15.
- Reviewer, NIH Disease, Disability and Injury Prevention and Control Special Emphasis Panel (SEP), 11/11-1/12.
- Reviewer, 2011 National Occupational Injury Research Symposium (NOIRS), 3/11.
- Scientific Advisor, CDC/NIOSH Board of Scientific Counselors (by appointment of the Secretary of the US Dept of Health and Human Services, and Congressional approval), (<http://www.cdc.gov/niosh/BSC/membership.html>), 1/11- 1/15.
- Member, IAFIE Education Standards Committee, 11/10-8/15.
- Director, Board of Directors (elected from within ASSE) ABET, Inc., (<http://www.abet.org/board-of-directors/>), 10/10-10/16.
- Scientific Reviewer and advisor, National Academies, Transportation Review Board (committee AVO90), committee on aviation security and emergency management, 7/10-8/11.
- Chair, CDC/NIOSH Scientific Review Panel C, Washington DC, 4/09.
- Accreditation Coordinator, Homeland Security Defense Education Consortium Association (HSDECA), 6/08-5/11.

- Member Advisory Panel, CDC/NIOSH National Survey of the Occupational Safety and Health Workforce Project, 5/08-10/11 (POC-Dr. Chris Langub); Final Report by Westat. 200-2000-08017, Task Order 18.
- Scientific Reviewer, CDC/Alice Hamilton Awards Committee, 2008.
- Reviewer (manuscript) for Homeland Security Affairs Journal, 10/08-4/13.
- Reviewer (manuscript and book) for Journal of Homeland Security & Emergency Management, 9/08-present.

- Faculty Advisor, ERAU Triathlon Club Advisor, 9/08-8/11.
- Taught Aviation Security (ERAU CASE Course), Daytona Beach, FL, 5/07.
- Faculty Advisor, Homeland Security Student Association 10/06-9/13.
- Founding Homeland Security Program Coordinator, 6/06-6/13.

Indiana University of Pennsylvania (IUP: 8/05-6/06)

- Safety Sciences Department Promotion/Leave/Tenure committee, 9/05-5/06.
- Safety Sciences Department Internship committee, 9/05-5/06.
- Safety Sciences Department Library committee, 9/05-5/06.
- Safety Sciences Department Graduate Studies committee, 9/05-5-06.
- Center for Undergraduate Instructional Associates, Advisory Council 10/05-5-06.

University of Wisconsin-Stevens Point (UWSP: 8/95-7/05)

- UWSP Vice Chancellor appointee to the Convocation Committee, 10/04-8/05.
- Named CPS representative to the UWSP Sustainability Committee, 1/04-8/05.
- HPHD Health Promotion search/screen committee, 1/04-9/04.
- Faculty Advisor & Started the UWSP Student Chapter – Campuses Against Cancer, 9/04-8/05.
- Faculty Advisor & Started the UWSP ASSE Student Chapter, 11/03-8/05.
- Faculty Advisor & Started the UWSP WISPIRG Student group, 9/03-8/05.
- Faculty Mentor – Hansen Hall, 1/03-8/05.
- Participant, UWSP American Democracy Project, 1/04-5/04.
- Participant, UWSP Teaching Circle Group, 9/03-5/04.
- Chair, HPHD Personnel Guidelines Development team, 9/03-12/03.
- Chair, School of Health Promotion and Human Development Personnel Committee, 5/03-8/05.
- Chair, UWSP Program Review Committee, 5/01-12/04.
- UWSP Chapter Phi Kappa Phi Executive Committee (elected), 5/00-5/02.
- Chair, School of Health Promotion and Human Development Merit Review committee, 2/00-1/01.
- Panelist in a University-wide forum on “*Advantages to Grant Writing-Faculty Development*” sponsored by the Vice Chancellor, 11/16/00.
- Panelist in a University-wide forum on “*Advantages to Grant Writing-Faculty Development*” sponsored by the Vice Chancellor, 11/11/99.
- Vice Chancellor appointee to the Student Awards Selection Committee, 10/99-5/00.
- Search Committee for the UWSP Director of Grant Support, 10/99-1/00.
- UWSP Graduate Council, 9/99-5/02.
- Chair, Graduate Program of the School of Health Promotion & Human Development, 9/99-8/02.
- UWSP Student Research Fund Review Committee, 9/99-9/01.
- Crisis Prevention and Response in Study Abroad Program at UW Whitewater, 4/29/99.
- UWSP University Professional Development Committee (elected), 9/98-5/05.
- HPHD Nutrition Sciences search/screen committee, 9/99-5/00.
- HPHD Nutrition Sciences search/screen committee, 1/99-5/99.
- HPHD Nutrition Sciences search/screen committee, 9/98-12/98.
- Chair, Health Promotion Assessment Task Force, 3/98-8/04.
- Chair, School of Health Promotion & Human Development Merit Committee, 2/98.
- Team leader, School of Health Promotion & Human Development Web Site development team, 8/97-5/01.
- Co-author, UWSP Campus Crisis Management Planning & Web Development Team, 5/97-8/05.
- Health Promotion & Protection search/screen committee, 2/97-5/97.
- School of Health Promotion & Human Development Teaching Effectiveness task force, 3/97-9/99.
- Chair, Environmental Literacy advisory committee to the UWSP GDR subcommittee, 4/97-5/98.
- UWSP Environmental Literacy task force, 2/97-5/01.
- Health Promotion and Human Development search/screen committee, 3/97-5/97.
- Environmental Education Workshop, Sponsored by NASA & the UW Sea Grant Institute, 1/97.
- Participant in the Writing Emphasis 8-week workshop, UWSP, Fall 1996.
- UWSP Web Advisory Committee, 2/96-10/96.
- Development and maintenance of the web home pages for the College of Professional Studies, 5/96-9/97.
- Nutrition Sciences search/screen committee, 12/95-4/95.
- Participant in the Teaching Partners Program, UWSP CPS, 1995-97.
- Chair, UWSP Environmental Health and Safety Committee Executive Committee, 1997-1999.
- Chair, UWSP Environmental Health and Safety Committee for 1997-1999.

- Chair, Problem Identification and Solution Planning subcommittee of UWSP EHS, 3/96-10/96
- College of Professional Studies representative on the Environmental Health & Safety (EHS) committee, 9/95-8/05

Service to / Involvement in the Community (UNH, ERAU, IUP, & UWSP)

- Board of Governors (elected), New Hampshire Scots ([NHSCOT](#)), 1/19-present.
- Medical Reserve Corps, Volusia County, volunteer (original member), 3/10-8/12.
- Assistant Scoutmaster, Boy Scouts of America, Central Florida, Troop 403, 9/09-8/12.

GRADUATE and DOCTORAL STUDENTS

- Daniel Cutrer, PhD, North Central University, reader, graduated 12/12.
- Tripp Driskell, MS Human Factors, ERAU, graduated 5/11.
- Tom Chen, MS Aeronautics, ERAU, graduated 5/10.
- Jorge Sanchez- Hidalgo, MS Aeronautics, ERAU, graduated 12/08.
- William Coyne, EdD, NOVA Southeastern University, graduated 3/08.

- John Bowser, MS Human and Community Resources, UW Stevens Point, graduated 5/05.
- Kathy Sims, MS Communication, UW-Stevens Point, graduated 5/03.
- Lori Mott, MS Nutrition Sciences, UW Stevens Point, graduated 12/01.
- Amy Mondlach, MS Human & Community Resources, UW Stevens Point, graduated 5/01.
- Dana Neuser, MS in Nutrition Sciences, UW Stevens Point, graduated 5/00.
- Debbie Harz, MS in Nutrition Sciences, UW Stevens Point, graduated 12/00.

<i>PROFESSIONAL CERTIFICATIONS & COURSEWORK, MEMBERSHIPS, HONORS</i>

Professional Certifications & Coursework/Continuing Education

- Certified Safety Professional (CSP) number 19111.
- FEMA Weapons of Mass Destruction, Rad/Nuc hazardous materials technician Course (PER 241, 32 hr, 12/10) and WMD Train the Trainer, awareness level, (AWR 140-1, 3 hr, 12/10).
- ICS 300 & ICS 400 (each 24 hr., 2/10).
- AMS Advanced Skywarn Spotter, East Central Florida, (#vol. 117), 1/10.
- DHS cCERT Trainer Certified (40 hr., 1/08).
- FEMA Professional Development Certificate (10/08).
- NIMS S-404 Safety Officer certified (40 hr., 5/07).
- Numerous FEMA EMI Independent Study Courses.

Professional Memberships

- Member, and Board (elected); International Association for Intelligence Education (IAFIE); 6/19-present.
- Member, and VP (elected) New Hampshire InfraGard, 6/19-present.
- President, Charter Member, Founder, International Society for Preparedness, Resilience and Security (INSPRS.org), 5/13-present.
- ASIS, International, 9/10-8/15.
- American Meteorological Society, 9/09-8/15.
- Professional Member, American Society of Safety Engineers, ASSE, 2004-present.
- Charter Member, Academics Practice Specialty, within ASSE Council on Professional Standards, 2/03-present.
- Academy of Criminal Justice Sciences (NE section), 6/12-8/15.
- International Association for Intelligence Education (IAFIE), 9/10-8/15; 5/18-present.
- Florida Emergency Professionals Association (FEPA), 11/07-6/15.
- Homeland Security Defense Education Consortium Association (HSDECA), 3/08-4/11.
- HSDECA National Accreditation Coordinator, 6/09-4/11.

- National Safety Council (NSC) member, and member Health Care Section Executive Committee, 9/96-10/06; Chair NSC Health Care Section 11/04-11/06.
- American Public Health Association (APHA), 9/97-9/04.
- Society for Public Health Education (SOPHE), 9/97-9/04.

Professional Honors

- University of New Hampshire, (*Excellence in Research & Scholarship* UNH College in Manchester) 2020
- 2019 Best Paper award by AIPIO; “*The Elusive Field of Cyber Intelligence: Notes from the Educational Front*” “[Best Paper for 2019](#)”; Published in the AIPIO Journal.
- 2019 Fellow in American Society of Safety Professionals (elected, competitive; formerly American Society of Safety Engineers)
- 2016 Culberston Award for Excellence in Service, American Society of Safety Engineers, June 2016.
- 2011 President’s Award by the American Society of Safety Engineers, given for distinctive contributions and service to the profession, June 2011.
- 2008 *W. Tarrants Outstanding Safety Educator* in the Nation, awarded by American Society of Safety Engineers, June 2008.
- *Outstanding Service Award* by the American Society of Safety Engineers, Council on Practices & Standards, Summer 2005.
- University of Wisconsin-Stevens Point winner, *University Service Award*, April 2005.
- *Safety Professional of the Year*, American Society of Safety Engineers, Council on Practices & Standards, Summer 2004.
- *Safety Professional of the Year*, American Society of Safety Engineers, Academics Practice Specialty, Summer 2003.
- *Who’s Who Among America’s Teachers* (2002 Inductee).
- *Fellow*, Association of Worksite Health Promotion (AWHP – merged with ACSM, 9/01).
- Member, *Phi Eta Sigma*, National Faculty Honor Society (1999 Inductee).
- Executive Committee of National Safety Council’s Health Care Section named Outstanding Section of the Year Award, by National Safety Council, 10/98.
- Member, *Phi Kappa Phi*, National Faculty Honor Society (1997 Inductee).
