Academic Positions:

Professor of Economics, University of New Hampshire, July 2004 to present.
Director of Graduate Economics Programs, University of New Hampshire, 2014-2015, 2017-19
Erskine Visiting Fellow, University of Canterbury, February-April 2007.
Coordinator of Graduate Studies, University of New Hampshire, July 2000 to June 2004.
Associate Professor of Economics, University of New Hampshire, August 1993 to July 2004.
Visiting Scholar, Department of Economics, IUPUI, August 1997 to July 1998.
Assistant Professor of Economics, University of New Hampshire, August 1987 to August 1993.
Visiting Instructor, North Carolina State University, Aug. 1986 to May 1987.
Lecturer, University of North Carolina at Chapel Hill, May 1985 to August 1986.

Awards, Professorships, Fellowships and Grants:

University of New Hampshire, Distinguished Professor Award, 2019.
Given to one faculty member per year, the highest University-wide award
University of New Hampshire, Outstanding Associate Professor Award, 2003
University-wide award given to one associate professor per year
Whittemore School of Business and Economics Award for Teaching Excellence, 2000
Award given to one WSBE faculty member per year
University of New Hampshire Award for Excellence in Research, 1994
University-wide award given to one faculty member per year
Graduate Economics Professor of the Year, Economics Department, UNH, 2010 and 2016
John A. Hogan Distinguished Professor of Economics, University of New Hampshire, 2017-23
Endowed Department chair with fixed, 6-year term maximum
University of New Hampshire, Class of 1938 Professorship, 2011-2014
University-wide non-renewable 3-year chair given to recognize excellence in teaching
University of New Hampshire, Carsey Summer Fellows Scholar, Summer 2015.
University of New Hampshire, Faculty Scholars Award, 2004 and 2010
University of New Hampshire, Summer Faculty Fellowship, 1989, 1991, 1993
University of New Hampshire, Whittemore School of Business & Economics Associates Award, 1990, 1992
University of New Hampshire, Social Science Research Center, Faculty Support Program Grant, March 1988
Eunice M. Daugherty Award, May 1981; Glenn McConkey Award, May 1981
Both awards received as an undergraduate for academic performance
NIDRR, Rehabilitation Research and Training Center on Demographics and Statistics, Grant No. H133B130015), Co-investigator, \$60,000 salary support, July 1, 2013-June 30, 2014.
NIH, National Institute on Aging, R03 AG028479-01, "A Panel Study of Elderly vs. Nonelderly Migration Flows and State Fiscal Policy," Principal Investigator, July 1, 2006-June 30, 2009, \$130,500.
NSAF Small Research Grants Program, Funded by the Annie E. Casey Foundation and Administered by the Association for Public Policy Analysis and Management, "A More Complete Picture of Family Structure and Its Effect on Child Outcomes," Principal Investigator, awarded June 2004-June 2006, \$20,000.

Education: Ph.D. in Economics, University of North Carolina at Chapel Hill, July 1987
B.A. in Economics, Eastern Illinois University, May 1982

Teaching Experience:

Econometrics (undergraduate and graduate levels)
Public Economics (undergraduate and graduate levels)
Capstone courses for BS in Economics, MA in Economics
Intermediate Microeconomic Theory
Principles of Economics (including Honors')

Publications:

- “You’ll Never Walk Alone – The Effects of Walkability on Pregnancy Behaviors and Outcomes,” (with Andrea K. Menclova), *Economics and Human Biology*, forthcoming, preliminary version published online June 23, 2023. <https://doi.org/10.1016/j.ehb.2023.101269>

“Is Alaska Really a Top Destination? An Investigation” *Department of Data, Washington Post*, by Adam Van Dam, March 10, 2023.

Professional Service

AEA Committee on the Status of Women in the Economics Profession: Board Member and Eastern Representative, January 2016-2020.

Associate Editor, *Series of Unsurprising Results in Economics (SURE)*.

Referee for:

American Economic Journal: Economic Policy, American Journal of Health Economics, The American Journal of Managed Care, Canadian Journal of Economics, Contemporary Economic Policy, Demography, Eastern Economic Journal, Economics of Education Review, Economic Inquiry, Economica, Economics and Human Biology, Education Economics, Education Finance & Policy, Empirical Economics, Environment and Planning, Fiscal Studies, Health Economics, Health Policy, International Tax and Public Finance, Journal of Consumer Affairs, Journal of Economics, Journal of Entrepreneurship and Public Policy, Journal of General Internal Medicine, Journal of Health Economics, Journal of Human Resources, Journal of Labor Economics, Journal of Macroeconomics, Journal of Policy Analysis and Management, Journal of Population Economics, Journal of Public Economics, Journal of Regional Science, Journal of Urban Economics, Labour Economics, LABOUR: Review of Labour Economics and Industrial Relations, Medical Care, National Tax Journal, Pacific Economic Review, Population and Environment, Population Research and Policy Review, Population Space and Place, Preventive Medicine, Public Administration Review, Public Finance Management, Public Finance Review, Research on Aging, Research in Labor Economics, Review of Economics and Statistics, Review of Economics of the Household, Scandinavian Journal of Economics, Science of the Total Environment (STOTEN), The Social Science Journal, Social Science Quarterly, Social Science & Medicine, Social Service Review, Southern Economic Journal

Completed Dissertation Committees

- Chair, “Essays on the Unintended Effects of Tobacco Control Policies on Adolescent Health Behaviors,” Rebecca SenChoudhury, dissertation successfully defended on December 9, 2020.
Currently an Assistant Professor of Economics at Spelman College.
- Chair, “Essays in Applied Microeconomics: Policy Interventions and Spillovers to Crime,” Zachary Stueck Fone, dissertation successfully defended on March 31, 2020.
Currently an Assistant Professor of Economics, U.S. Air Force Academy.
- Chair, “The Growth Effects and Unintended Consequences of State and Federal Policies,” Ben Brewer, dissertation successfully defended on April 11, 2017.
Currently an Assistant Professor of Economics at the University of Hartford.
- Co-Chair, “Education Production: Teacher Effects and Weekend Feeding Programs,” Michael Kurtz, dissertation successfully defended on June 12, 2015.
Currently an Assistant Professor of Economics at Lycoming College.
- Chair, “Essays in the Economics of Reproductive Behaviors and Health Outcomes,” Jennifer Trudeau, dissertation successfully defended April 17, 2014.
Currently Department Chair and Associate Professor of Economics at Sacred Heart University.
- Co-Chair, “Behavioral Responses to Social Insurance Programs,” dissertation successfully defended by Timothy F. Page, July 18, 2008.
Currently a Professor of Management and Director of Academic Affairs at Nova Southeastern University.
- Chair, “Spatial Aspects of Infant Mortality and Labor Market Conditions: the Case of Ceara –Brazil” dissertation successfully defended by Ricardo Soares, June 19, 2006.
Currently an Associate Professor of Business Administration and Postgraduate Economics at Federal University of Ceara in Fortaleza, Brazil.
- Chair, “Family Structure, SCHIP and Child Outcomes,” dissertation successfully defended by Minghua Li, July 13, 2006.
Currently an Associate Professor of Economics at Franklin Pierce University.
- Chair, “Economics of Childbearing,” dissertation successfully defended by Andrea Kutinova (now Menclova), December 12, 2005.
Currently a Senior Lecturer in Economics (similar to associate professor) at the University of Canterbury in Christchurch, New Zealand.
- Chair, "The Effects of Medicaid and Maternal Depression on Prenatal Care and Infant Health" successfully defended by Lisa DeFelice in May 1999.
- Chair, "Student Achievement, Parental Effort and Schooling," successfully defended by Andrew J. Houtenville, October 1996.
Currently a Professor of Economics and Research Director of the Institute on Disability at the University of New Hampshire.
- Major Reader, “Essays in Mental Health and Disability Policy,” successfully defended by Bryce J. Stanley, June 2023.

Major Reader, "Essays on Foreign Direct Investment, Economic Growth, and Human Capital in the United States," successfully defended by Timothy C. Ford, July 2002.

Major Reader, "Testing for the Significance of Induced Highway Travel Demand in Metropolitan Areas," Successfully defended by Lawrence C. Barr, Engineering Systems Design Ph.D, March 2002.

Major Reader, "When Does Gender Matter? Explaining the Transition to Adulthood as a Gendered Process," successfully defended by Kimberly Mahaffy, Sociology PhD, March 1999.

Major Reader, "Essays in International Trade and the Environment -- Applications of Heckscher-Ohlin and Non-traditional Trade Theories," successfully defended by Antoinette M. James, September 1993.

Minor Reader, "Bilateral Monopoly in the Shipbuilding Industry: A Study of Wage-Rate Determination," successfully defended by Gregory Woodhead, May 1990.

Outside Reader, "Labor Market and Outreach Effects of Medicaid Expansion under the Affordable Care Act," successfully defended by Erkmen Giray Aslim of Lehigh University, April 2018.

Ongoing Dissertation Committees:

Major Reader, "Three Essays on Economics and Public Policy," proposal defended by Thanh Tam Nguyen, April 2022.

Reader, "Essays on Macroeconomics and Market Failures," proposal defended by Bayarmaa Dalkhjav, September 23, 2022.

Reader, "Essays on Immigration," proposal defended by Bikramji Saha, October 24, 2022.
