AWARDS AND GRANTS

Community College Transfer Mentoring Program (2017-2018)

- Awarded grant to develop a mentoring program to support community college transfer students' transition into the psychology major at UNH, Durham. The project is sponsored by a Mellon Foundation grant and the New Hampshire Humanities Collaborative, UNH, Durham.

Open Educational Resources Ambassador (2015-2016)

- Awarded grant to serve as an OER ambassador. Reviewed OER materials and revised introductory psychology course around OER text. Worked with UNH Center for Excellence and Innovation in Teaching and Learning to assess students' performance and experience using OER text compared with conventional. Presented outcomes and experience with OER to colleagues in a number of venues. The project was sponsored by Academic Technology, UNH, Durham.

OTHER PROFESSIONAL EXPERIENCE

Self-Employed Writer/Editor (2002-present)

- Conducted pre-publication reviews of college texts for Cengage, Pearson, Flat World Press, McGraw-Hill, W.W. Norton, MacMillan (and others).
- Developed formative assessment test items for cognitive psychology text (Robinson Riegler); developed PowerPoint slides for introductory psychology text (Gazzaniga) as contactor for nSight [www.nightworks.com]) (and other projects).

Consultant (2007-2011)

- Head statistician/research advisor for grant-funded Granite State College learning outcomes assessment program (2007-2011).
- Designed, developed content and implemented a Web-based faculty development program for Granite State College (2009).

Usability Engineer/Interaction Designer, Aprisma Management Technologies, Durham, NH (January 2001 to June 2001)

- Spearheaded GUI image re-design project for desktop and Web applications.
- Developed GUI style guide by identifying relevant icon design guidelines (Windows User Experience, Java Look and Feel, OSF-Motif) and articulating standards implicit in current icon implementations.
- Evaluated usability testing program and made recommendations to establish usability goals/metrics for core functions of all applications.

Content Research and Development, Millennium Medical Communications, Hampton, NH (April 2000 to September 2000)

- Established content guidelines and led content development and editing team.
- Developed Web-based methods and procedures for evaluating health and medical Web sites.
- Performed QA testing of the front-end and administrative back-end of Web site.
- Conducted competitive analysis of the health and medical Web site industry.
- Authored training materials for the new Health and Medical Information Specialist (HMIS) position.

SERVICE

Faculty Advisor, UNH Psychology Club: Responsible for advising leadership and membership of the Club (2016-present).

UNH Transportation Committee Member: Faculty representative on the transportation committee (2016-present).

AAUP-LU Departmental Representative: Department lecturer union liaison (2015-present).

Center for Innovation in Teaching and Learning Advisory Committee (Internal subgroup): Served on committee tasked with determining the functions, structures, and funding of a new UNH center for innovation in teaching and learning, UNH, Durham (2016).

Teaching and Learning Panel Committee Member: Applied for and was selected to serve as a member of a teaching and learning panel formed jointly by the UNH Faculty Senate and the Office of the Provost. The panel was tasked with visioning and outlining structural components of a center for innovation in teaching at UNH (Spring term 2015).

Provost Search Committee: Responsible for recruitment and review of candidates for the office of UNH provost (2015-2016).

Workload Committee: At the request of the COLA Dean's office, I served as a member of a committee of lecturers tasked with assisting in the development of guidelines for establishing COLA lecturers' workload to satisfy CBA requirement (Fall term, 2014)

Board Member: Serve as a board member for Journeys, a not-for-profit counseling and psychotherapy center in Durham, NH (2010-present)
