Training: CPE 1861: Engaging Fathers in Child Welfare

1.5 Training Hour

1. True or False: According to CFSRs across the country, with regard to states serving fathers in child welfare, a lower percentage of fathers than mothers were engaged in all aspects except Involvement in Case Planning. In that instance, a higher percentage of fathers than mothers were engaged.

2. True or False: In the first video link, Duane makes a forceful argument that he is the exception to the rule when it comes to fathers with a history of substance abuse.

3. True or False: Children with involved fathers demonstrate important problem solving abilities and increased cognitive abilities.

4. True or False: In the second video link, Chris talks about how he was compelled to retain custody of his children because he couldn’t imagine what foster care would be like, but he feared it would be awful.
5. Which of the following was not one of the top 5 challenges/barriers described in the study on Minnesota Child Welfare Professionals' Perspectives on Fathers in 2010
   a. Difficulty locating fathers
   b. Difficulty identifying fathers
   c. Lack of paternity establishment
   d. Prevalence of violence associated with fathers
   e. Gatekeeping by mothers

6. According to the study conducted by the Urban Institute, what percentage of caseworkers received training on engaging fathers?
   a. 20%
   b. 35%
   c. 55%
   d. 70%
   e. 85%

7. True or False: In the third video link, Eddie shares that, while he is now a “full-time father” who loves having custody of his children, he used to be relatively unengaged with his children.

8. Which of the following was not a prevention model discussed in the training?
   a. Population
   b. Precognitive
   c. Public Health

9. In the video on Engaging Men as Violence Prevention, the program discussed was called the:
   a. Caring Dads Program
   b. Stop the Anger Program
   c. Fathers Forever Program
   d. Fathers for Faithful Parenting Program
10. The training discusses 5 strategies for the initial engagement of men and boys. Which of the following was not one of the strategies described?
   a. Intentional Invitation
   b. Reasons for engagement
   c. Enlist ambassadors
   d. Concrete opportunities
   e. Friendly demeanor

Please attach your Action Plan and this completed Participation Check and submit them to UNH CPE to the attention of Pam Seufert.
