

Kinship Caregiver Training Registration

The Kinship Caregiver Training courses are divided into 2 individual Modules on the [Learn for Life](#) registration page. You will need to add both courses to your cart individually when you go to register. Below are step by step directions that you can follow to successfully register for the Kinship Training program.

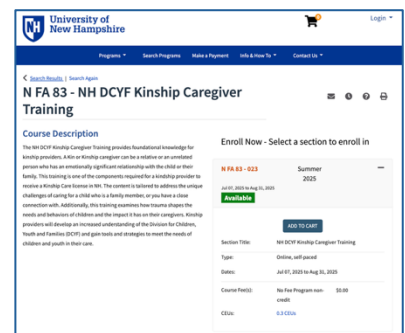

Registering for courses

To begin registration, navigate to the Kinship Caregiver Training Program page. You can find the page at this [link](#) or by using the QR code provided. You will then proceed to add the courses you need to your cart.

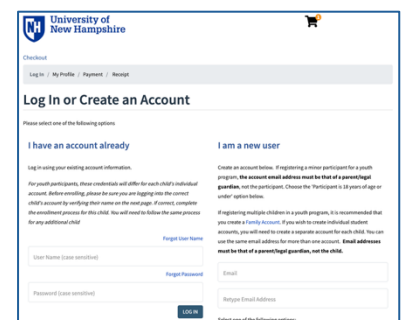

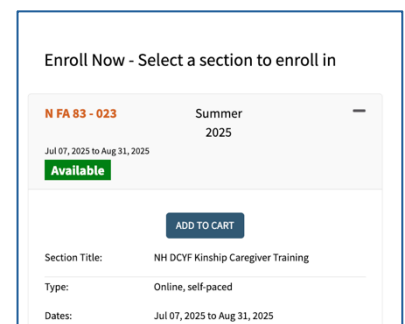

Step by step

Click on the course **Caregiver Pre-Service Basic Medications Overview**.

1. Choose the course option for the semester you desire to take the course. (i.e. Spring, Summer, Fall)
2. Click the **Available Button** and then **Add to Cart**.
3. Click the **Close Button** if you are needing to add other courses to your cart. Click **Checkout** if you have all your courses you desire to take in your cart and you need to finish your registration.
4. On your web browser click the back button to return to the Program page.
5. Now choose the **NH DCYF Kinship Caregiver Training** course option. You may see multiple options based on the semester you are taking the course.
6. Click the **Add to Cart** option and add the course that fits best with your availability.
7. After adding both courses click on the **Check Out** option to move through the registration completion process.
8. At this point you will either create a new account if this is your first time registering for courses, or you will login with your existing account information.

Accessing your courses

CWEP uses an educational platform called Canvas. You can find your Canvas dashboard at this [link](#) or by using the QR code provided.

You will receive an email with your upcoming course information. Use the link provided to login into Canvas. You may always change your password by selecting the **Forgot Password** option.

Once logged in and viewing your dashboard you will select the course that you want to begin working on.

- Caregiver Pre-Service Basic Medications Overview and the NH DCYF Kinship Caregiver Training are self-guided course that you will work at your own pace.
- Make sure to follow all the directions in the course to help navigate through the content and successfully complete the learning requirements.

If you have questions or are unable to register or find your courses please reach out to cwep.info@unh.edu
