Faculty and Staff Meal Plans: can be purchased using payroll deduction, check or cash. Meals on these plans never expire. Unused meals are fully refundable. In the event of separation from the University, UNH can withhold payments due should any meals be used yet not paid. If a new meal plan is purchased through payroll deduction before the previous plan is paid in full - deductions will double until the first plan is paid in full. Meal plans are not transferable. Guests may be brought in to the dining hall by using an additional swipe of your ID card. Card owner must be present.

Dining Hall and ID Card Policies: Foods served in the dining halls are available to customers on an "all-you-care-to-eat" basis and can't be taken out. Removal of dining hall property is prohibited. During University vacations and summer session, limited hours and locations of service are posted on the UNH Dining web site: www.unh.edu/dining

Lost Cards: A charge of \$25 is made to replace a lost, stolen or damaged photo ID and a \$15.00 charge to replace a lost, stolen or damaged non-photo dining card. Lost or stolen cards must be reported immediately to the Dining ID Office (603) 862-1821 or suspended online: unh.edu/dining. Only the balance of meals, Dining Dollars or Cat's Cache on the card at the time the card is suspended can be protected. No temporary cards will be issued. Until your ID card is replaced, you will not have access to your meal plan, Dining Dollars, or Cat's Cache. Your University ID card is strictly nontransferable. The owner of the ID card is responsible for its security and proper use and subject to a \$25 fine for its unauthorized use.

I would like to donate _____ meals from this purchase to be used to support students currently experiencing food insecurity.
