A Quality Meal at Every Stop.

We offer a variety of meal plans and pricing created with convenience in mind to accommodate students’ busy lifestyles. Our meal plans provide great value, allowing you to eat at any dining hall, any time of day (during regular hours), as many times as you want.

Here is a brief outline of our meal plan options. Each plan features Meals to Go, takeout meals available from any dining hall. Also included are Meal Exchanges which can be used in the Union Court as an alternative to eating in the dining halls during peak lunch hours. Residence hall students must choose from one of these plans each semester they are living on campus.
