UNH Hospitality Services: Committed to Better Eating

Quality. Service. Value. These are three guarantees University of New Hampshire Hospitality Services makes to every student, visitor, faculty and staff member who dines with us.

Unique & Healthy

We’re committed to providing quality food, great service and exceptional value. Best part is, we offer a variety of delicious foods that will satisfy any appetite. After all, our primary motivation is ensuring every guest is fed, nourished, and fueled for success!

Not only are we providing variety, we’re also offering healthy foods at all of our dining venues. By incorporating locally sourced ingredients - some grown right here on university grounds - into our menus at all of our locations, we’re not only providing healthier, sustainable foods, we’re supporting better eating and a healthier lifestyle.

HOLLOWAY COMMONS
