

BOOK A SEAT AT THE UNH TESTING CENTER

Utilizing the UNH Testing Center

The UNH Testing Center is a resource available to instructors to help them meet specific student accommodation needs. The Testing Center is a 13 seat distraction reduced space in the basement of T-Hall. It is open M-F 8:00-4:30.

Students should talk with their instructors prior to booking a seat. An instructor can choose to utilize the Testing Center for their exam or they can find another testing space. Students can ask instructors about utilizing the space if they would like to use it.
