

# I Got the Job!

Engaging at the UNH ECenter helped me get hired.

## Devin McMahon

Hampshire - 2019  
Business Administration

"My UNH education gave me so many tools and experiences to prepare me for my first post-graduation job. I can say that my time at the ECenter to develop my innovative skills gave me a clear advantage during the job search process. My ECenter internship, being coached to 2nd place finish at Holloway, participating in many of the ECenter programs and selected to be a University Innovation Fellow all gave me the tools and confidence to succeed and secure an amazing job."

## ECenter Career Impact

Companies today look for proven innovative problem solvers.  
The high-impact experiential programs at the ECenter are designed to  
provide students with those skills and tools.
