Dijon
Studies and Academic Program
Orientation in Dijon (4 days)
Melting Pot, Welcome and Activities
Whole town gathering, evening socials

Cultural visits:

Day trip to Beaune and the wine area: visit Hospices de Beaune and Château de la Rochepot

Day trip to Northern Burgundy:
Visit Abbaye de Fontenay, Semur en Auxois and Flavigny

International Wine Trade Show in Dusseldorf, Germany for 5 days
Understand the sociology of food and wine

Study the wine-making climate of Burgundy, local food products in Burgundy, and food and wine pairing

Understand the importance of education in food and wine industry
Wine Product & Tasting

• Understand the wine Culture in France
• Understand the viticulture and wine-making process
• Based on the visits, select an important issue in culture, viticulture, or wine-making
Food and Wine Tourism and Wine Marketing

- Understand the relationship between food, wine, and tourism in Burgundy from both a theoretical and practical dimension
- Understand the key concepts of marketing
- Identify the best-practices in wine distribution or in tourism management

Counts as HMGT Elective
Entrepreneurship

• Understand functioning of a company and the life of the entrepreneur manager

• The role of the manager-entrepreneur in a corporate entrepreneurship context

• Understand entrepreneurship as a synthesis of self and social surrounding

• Design a business project (introduction, process and key methodological elements) and be able to apply it

• Business majors can take this in place of MGT 732
You will take a placement exam in Dijon and placed in a French class at your level.

If your major has a language requirement, this class will partially fulfill the requirement.

Recommended: Unless you have no prior French, you can take a before and after language test at the Murkland Language Center to test out of a semester of language.

Recommended by other students: You may wish to take French 401 the fall before you go to France and finish your language requirement in France.

Note: If you have had 2 or more years of French in high school, you must take French at the intermediate level to fulfill the requirement.
Students have a few housing options.

Apartments generally have a common kitchen, shared bath, laundry and some are women only.

Students will work directly with landlords and the housing officer at Burgundy in arranging housing.

Internet is variable in apartments.
