

As an incoming student, you must complete the Tuberculosis Assessment at <https://wildcatwellness.unh.edu/confirm.aspx> (**available mid-June**). This Tuberculosis Questionnaire is meant only to prepare you for the questions that will be asked online.

The following questions will be asked:

1. Have you ever had close contact with persons known or suspected to have active Tuberculosis (TB)?
2. Were you born in an endemic country? See the list: <http://www.stoptb.org/countries/tbdata.asp>.
 - Angola
 - Bangladesh
 - Brazil
 - Cambodia
 - Central African Republic
 - China
 - Democratic People of Congo
 - Democratic Peoples Republic of Korea
 - Ethiopia
 - India
 - Indonesia
 - Kenya
 - Lesotho
 - Liberia
 - Mozambique
 - Myanmar
 - Namibia
 - Nigeria
 - Pakistan
 - Papua New Guinea
 - Philippines
 - Russian Federation
 - Sierra Leone
 - South Africa
 - Tanzania, United Republic
 - Thailand
 - Vietnam
 - Zambia
 - Zimbabwe
3. Have you had frequent or prolonged visits to one or more of these countries (listed above) that have a high prevalence of TB?
4. Have you been a resident and/or employee of a high-risk congregate setting, such as correctional facilities, long-term care or homeless shelters?
5. Have you been a volunteer health care worker who served clients who are at increased risk for TB?
6. Have you been a member of any of the following high risk groups: medically underserved, low-income, user of drugs or alcohol?

If you answered **NO** to the above questions, you do not need to do anything else.

If you answered **YES** to any of the above questions, you must:

1. Print the Tuberculosis Testing and Treatment Form at the end of the online Tuberculosis Assessment
2. Your health care provider must complete the Tuberculosis Testing and Treatment Form.
3. You must return the Tuberculosis Testing and Treatment Form to Health & Wellness.

The Tuberculosis Questionnaire is designed to help students anticipate questions that will be asked on the online Tuberculosis Assessment. All students are required to take the online Tuberculosis Assessment. Only those who answer YES to any of the questions need to follow up with their health care provider to complete the Tuberculosis Testing and Treatment Form found at the end of the online assessment. Questions may be directed to (603) 862-9355.
