

Looking for an internship?

Healthy UNH is looking for responsible, creative student interns with initiative and a willingness to learn.

Responsibilities include blogging, interviews, research, graphic design, photography, social media, video production, and event planning.

Healthy UNH works to better the health and well-being of the UNH community through four focus areas: nutrition, physical activity, emotional wellness, and healthcare consumerism.

SUBMIT A WRITING SAMPLE AND RESUME TO HEALTHY.UNH@UNH.EDU
