

BE AWARE EVERYWHERE!

Tips for Navigating Campus Safely

Walking

UNH is a walking campus! We all need to practice safe and wise walking habits. Use designated sidewalks and crosswalks. **Be alert and aware of your surroundings**, especially while using your phone or listening to music.

Park Appropriately

Transportation Services requires that all vehicles regularly parked on campus to either have a parking permit, pay a parking meter or parking attendant, and be parked in appropriately designated areas. **Motorcycles and mopeds require permits and must be parked in assigned locations.**

Skateboarding

UNH encourages **safe skateboard use**. Skateboarders should yield to pedestrians and obey all traffic regulations.

Railroad Awareness

Never trespass on rail lines!

At the Dairy Bar station, **ALWAYS** be alert, aware, and cautious, especially at the platform.

Transit Options

Wildcat Transit and **Campus Connector** are free (with a UNH ID) transit systems to help you navigate campus and the seacoast area. **NextBus** provides real-time bus location and predication status. **Amtrak Downeaster** provides services from Boston, MA to Brunswick, ME. **Zipcar** offers cars to rent by the hour or day.

Biking

Bikes are a great way to get around, but require some precautions. **Always wear a helmet**. Bikes should be ridden on streets in the direction of traffic and abide by vehicle rules. Walk your bike on sidewalks and always yield to pedestrians.

Be Informed

Use the **Blue Light Emergency Telephones** during emergencies. Phones link directly to UNH Police 24/7. Receive **Campus Alerts** via text or email by signing up at alert.unh.edu. Download the **LiveSafe** app to make anonymous tips and reports. **Safe Rides** is a program for students who drive to social events but need sober rides home.
