

BE AWARE EVERYWHERE!

Tips for Navigating Campus Safely

University of
New Hampshire

1 WALKING

UNH is a walking campus! We all need to practice safe and wise walking habits. Use designated sidewalks and crosswalks. **Be alert and aware of your surroundings**, especially while using your phone or listening to music.

2 PARK APPROPRIATELY

Transportation Services requires all vehicles parked regularly on campus to either have a parking permit, pay a parking meter or a parking attendant, and to be parked in appropriately designated areas. **Motorcycles and mopeds require permits and must be parked in designated locations.**

3 SKATEBOARDING

UNH encourages **safe skateboard use**. Skateboarders should yield to pedestrians and when on street, obey all traffic regulations.

4 RAIL ROAD AWARENESS

NEVER trespass on rail lines! At the Dairy Bar station, ALWAYS be alert, aware, and cautious near rail lines, especially at the platform.

5 TRANSIT OPTIONS

Wildcat Transit (with a current UNH ID) and **Campus Connector** are the free transit systems which get you around campus and the region. **NextBus** provides real-time bus location and prediction status; you can learn the many ways of using NextBus by visiting the UTS website. **Amtrak Downeaster** provide services from Boston to Brunswick and the website includes trips and services updates. **ZipCar** offers UNH (18+) members, cars by the hour or day and insurance is included.

6 BIKING

Bikes are a great way to get around, but require some precautions. **Always wear a helmet.** Bikes should be ridden on streets in the direction of travel and abide by vehicle rules. Walk your bike on sidewalks and always yield to pedestrians.

7 BE INFORMED ABOUT YOUR SAFETY

Use the **Blue Light Emergency Telephones during emergencies.** Phones link directly to UNH Police 24/7. Sign up to receive alerts through the **UNH Alert System** via text to your email, cell phone, or pager. Download the **LiveSafe** app to make anonymous tips and reports. **Safe Rides** is a program for students who drive to social events but need sober rides home. This service operates Thursday, Friday, and Saturday nights. Call 603-365-6406. Police and Security will perform **Safety Escorts** to and from campus, if the campus connector shuttle isn't operating. Call 603-862-1427.
