## GUARD RAIL INSTRUCTIONS

**STEP 1: POSITION GUARD RAIL OVER  
SIDE OF BED FRAME AT DESIRED  
LOCATION.**

**STEP 2: PLACE THE CLIP AT THE END OF  
THE GUARD RAIL UNDER THE BED  
FRAME.**

**STEP 3: LEAN THE GUARD RAIL TOWARDS  
YOU UNTIL IT CLIPS IN AND STANDS  
STRAIGHT UPWARDS.**

These bedrails are for your safety and should be used when your bed is in any position other than the lowest. If you require further instruction or assistance installing your guard rail, please call Housing at (603) 862-2122. This bedrail is part of your room inventory and needs to remain with your room furniture after you move out. If you chose to not use the bedrail you must store it in your room.
