

# BABCOCK

## March

SHANNON.SCOTT@UNH.EDU

Happy March, Babcock!

Can you believe that we're already in midterm season and rapidly approaching Spring Break?

Campus resources, including Dining, will be limited over Spring Break as well. Please keep an eye out for important updates from our campus partners as Spring Break approaches.

If you have concerns about supporting yourself without the dining hall this upcoming break, consider looking at UNH and Community Resources at the UNH Basic Needs website below.

***-Sincerely, Shan***
