On the month of February, we will be hosting **OPEN DOOR OLYMPICS**!

This means that whenever a CA finds your door propped open they will put a stamp on the calendar on your door. Whichever floor has the most stamps at the end of the month will win a **PIZZA PARTY!**

This is the calendar that will be on your door. If the CAs finds your door propped open they will put a stamp!

- ATW Resident on what they want to see this semester

Hello ATW! I'm B, the CA on the Third Floor, and I hope you’re all ready for another great semester at UNH! I’m an Exercise Science major here on campus so I wanted to take this opportunity to let you know about all the ways you can be active in your busy lives. One of the best options we have at UNH is to get involved with the exercise classes that the HRC offers weekly. It’s a good way to incorporate exercise into your schedule and do it with friends! There are also two ways on campus to get involved in rock climbing. One is the bouldering wall in the HRC and there is also a climbing wall in New Hampshire Hall (a short walk from here) that is available at certain times during the week. Check out the UNH Outdoor Education Artificial Climbing Wall Facebook page to find out their hours. Secondly, even though there are many more options for UNH students to be active on campus, I wanted to let you know about a great opportunity that many people don’t take advantage of—the indoor swimming pool located in Lundholm. The pool is available to all students and you can check out when open swim times are on the Hamel Rec website. Hope this helps you get out there and be active! 😊

SURVEY COMMENTS

Here we will have some survey comments I would love to address. If you have any questions please let me know!

If you are having issues with your neighbors or your roommate, make sure to reach out!
Send me an email (solimar.collado@ unh.edu) or knock on a CA's door. We are here to help!

"My neighbor did..." or "My roommate was..."

"Sometimes it would be nice to have more control of the heat." or "The rooms are too cold / the rooms are too hot"

You have control over your heat. If you set it to cool it will turn off and if you put it in the middle it will be more lukewarm. You can also set it from "High" to "Low." If it doesn't seem normal call facilities!

Unfortunately this is something we cannot control. The cleanliness of the entrance depends on how students and residents maintain the area. If it ever looks too dirty or there are many thing in the area that shouldn't be there. Let em know! I will try my best to get the area cleared.

"There is always a ton of garbage and litter outside the entrance to the subbasement and in the driveway to the subbasement by the dumpster"
MY TOILET DOESN'T FLUSH VERY WELL

Last academic year and at the beginning of the Fall semester, we had a big problem since our kitchen supplies were not taken care of or they went missing. We have a few remaining utensils that we will be lending during Community Hours. Keep a look out for the notice!

WE WERE NOT GIVEN A RECYCLING BIN AT THE BEGINNING OF THE SEMESTER AND HAVE NOT BEEN RECYCLING BECAUSE OF THIS

If your toilet is not flushing well you can call Facilities at (603) 862-1437.

COOKWARE IN THE KITCHEN
IT WILL PROMOTE USE AND THEY HAVE IT IN OTHER HALLS

If you don't have a recycling bin, please let us know so we can work on getting you one. Every room should have one!
