Happy December, Babcock!

Wow, December is already flying by! As you work on final projects and papers, study for exams, and finish up the semester in other ways, remember there's no substitute for a good night's sleep! Make sure you eat well and get enough sleep during these tough weeks. A healthy body helps your mind do it's best work!

-Your Manager, Kelsey

Around over. Winter Break?

EACH YEAR, UNH PD ASKS THE APARTMENT AND HALL MANAGERS TO GAUGE THE BREAK OCCUPANCY OF THEIR AREAS IN CASE ANY EMERGENCY SITUATIONS ARISE. WE APPRECIATE YOU TAKING THE TIME TO LET US KNOW IF AND WHEN YOU'LL BE AROUND THIS BREAK!

[CLICK HERE TO LET US KNOW](#)

THIS MONTH @ BABCOCK

DECEMBER EVENTS

IMPORTANT DATES

12/10 @ 6PM—12/18 @ 6PM	24 Hour Quiet Hours
12/12 @ 7PM	Finals-Themed Snack Cart (on floor lounges)
12/13 @ 8PM	Tea/Coffee Cart (ground floor lounge)
12/14 @ 9PM	Movie Night (ground floor lounge)
12/18 @ 6PM	Move Out (for those moving completely out)
12/24—1/1	UNH Closed

BABCOCK WILL REMAIN OPEN OVER WINTER BREAK.

Unless you are moving out of Babcock and not living here in the Spring, you do not need to move out/check out. You are welcome to come and go throughout the break period.

Although we do not have programs during winter break, there will still be staff available on duty Friday and Saturday nights, and all policies will apply as usual (including quiet hours!)

A staff member may throw an impromptu social at any time, so stay up to date via our social media accounts!

HAVE A GREAT WINTER BREAK!

NEED TO KNOW

IMPORTANT DETAILS FOR RESIDENTS

CLOSE WINDOWS

- Living in NH means cold winter temperatures that could lead to burst pipes costing thousands of dollars in damage.
- Close and lock your windows, especially when leaving your room for a longer period of time.
- If Hall Staff notice an open window, they will enter your room to close it.

HOLIDAY TREES AND WREATHS

Unfortunately we can't have real holiday trees or wreaths in the building, as they pose a fire safety issue. However, if you are looking to be festive to celebrate the winter season, you can have fake trees or wreaths for decoration!

LEAVING BABCOCK?

We'll be sad to see you go!
Congratulations to everyone graduating!

If you aren't living in Babcock through May, you must move out and return your key before **6pm** on **Tuesday, December 18th.**

Make sure to plan accordingly!

NEED TO KNOW

IMPORTANT DETAILS FOR RESIDENTS

WANT TO SWITCH ROOMS?

If you're interested in switching rooms within Babcock, send me an email! We have some rooms available for next semester that you could switch into.

DON'T FORGET YOUR FOOD!

If you're leaving for the break, please remember to take your food home with you. We don't want food sitting in the fridge for 5 weeks. :)

WINTER PARKING BAN

Every winter, UNH starts its "Winter Parking Ban" - usually on December 1st. This year it has been pushed back to begin January 1st instead!

Once it starts, many parking lots across campus are closed after midnight, including all meters/pay to park areas. Parking there past 12am will result in a ticket and possible towing. The parking lot outside Babcock (B-Lot) is "weather-conditional", meaning that it may or may not close at midnight, depending on the weather. Please make sure to check the sign at either entrance to the lot to make sure it says "OPEN" instead of "CLOSED" before parking there overnight—even on weekends.

Resident lots (such as E-Lot or West Edge) are not affected by the Winter Parking Ban, except that you may have to occasionally move your car temporarily for the snow plows. Keep an eye on your email for notices about moving your car to avoid being towed! These emails come from the Parking office—not me :)

Shape the future of housing at UNH

TAKE THE SURVEY

**Please take 10 minutes to complete the
web-based survey by Friday, December 14th.**

UNH is conducting an analysis to determine the future of undergraduate and graduate student housing on campus. Your participation in this survey is an essential part of understanding students' current housing situations and preferences.

This survey is distinct from the Residential Life and Housing survey sent in early November and does not cover the same questions.
