WE'RE HALFWAY THERE, ALMOST...

Can you believe we're already nearly halfway through the Spring semester? I am so inspired by how hard you all work! Babcock is filled with passionate, motivated, visionary, driven people who are doing extraordinary things. While you continue to work hard over the next week, make sure to take advantage of Spring Break to rest, do something fun, and enjoy time with friends. You need it.

Kitchen Storage

JUST A REMINDER...
Any items stored in the drawers & cabinets in the Ground Floor kitchen may be used by others in the building. If you do not want your utensils or pans used by others, please store them in your room.

If you use utensils/pans, etc., please be sure to WASH & RETURN THEM TO WHERE THEY WERE FOUND.

NO SMOKING IN/NEAR BUILDING

Smoking is PROHIBITED inside the building. If you are found to be smoking inside, you will be charged through UNH's conduct system.

You must be 20 ft. (6 meters) from Babcock to smoke outside. Otherwise, smoke drifts up into the building, causing others to breathe in cigarette smoke.
SPRING BREAK!

Babcock will remain OPEN during Spring Break! You do NOT need to let us know if you are staying. Enjoy the break, and think about joining in on the Online Mindfulness & Meditation Retreat (click below for more info).

Register Here by March 6th!

LIVING IN BABCOCK FOR FALL 2019?

Babcock follows a separate sign-up process than the rest of campus. This process will open at the END of MARCH.

There will be two separate sign-up times depending on if you would like to...
1. Stay in the same room you are currently in.
2. Move to a different room.

I will send out more information at the end of the month, so be on the lookout then!

KNOW SOMEONE WHO WANTS TO LIVE IN BABCOCK NEXT YEAR?
