HEALTHY RELATIONSHIPS

This Month's Theme

The theme of the month is Healthy Relationships! Your hall staff have created some fantastic programs for you based on this theme. Check out what we have going on this month & follow UNH Babcock on social media to stay updated!

What is *Snack Cart*?

Snack cart is when the CAs come around to each floor with free snacks to give away! All you have to do is come to the lounge on your floor when you hear "Snack Cart!" outside your door.

What is *Tea/Coffee Night*?

Coffee night is a very casual event where you can come down to the ground floor TV lounge and enjoy a cup of coffee, tea, or hot cocoa and chat with the CAs and your neighbors!

Every Thursday @ 8PM

Snack Cart and Tea/Coffee Night alternate each week

9/13—Tea/Coffee Night with Maddie

9/20—Snack Cart with John

9/27—Tea/Coffee Night with Ali

Every Friday @ 8PM

Movie Night in the Ground Floor Lounge
Chosen by the CA on Duty

Weekly Social Programs

Each week this month, there will be 1-2 social programs following the Healthy Relationships theme. Going to a social is a great way to meet people and get connected!

MANNERS MATTER

Smoking

You need to be 20 feet/
approximately
6 meters away from the
building to smoke!

How far away is 20ft/6m?

Check out the map on the elevator bulletin
board for a visual

On the Parsons side:

Out at the street—
not on the walking path.

On the McConnell side:

Under the trees, but further is better!!
This side allows smoke to blow into the building, so
please be courteous to your neighbors!

On the B-Lot side:

Past the walking path.

Bathrooms

- Keep the trash from your room out of the bathroom trash. Food trash rots in that warm, wet air.
- Do not use bathroom sinks to wash dishes or dispose of food/drinks. We don't want fruit flies!
 - Remove hair from the shower and sink drains every time you use them.
 - Take all personal belongings with you when you leave.

Kitchen & Kitchenettes

Pay attention to signs & clean up after yourselves

- Wipe down the counters, burners, and the inside of the microwaves every time you use them.
- Don't store any food, oil, or spices in any of the cabinets or on the shelves! They will be discarded.
